

WAYNE POMANOWSKI/  
BECKER'S TREE SERVICE,

Petitioner,

STATE OF NEW JERSEY  
OAL DKT. NO.: ADC 06084-11  
AGENCY DKT. NO.: SADC #1261

vs.

**FINAL DECISION**

MONMOUTH COUNTY AGRICULTURE  
DEVELOPMENT BOARD and TOWNSHIP  
OF COLTS NECK,

Respondents.

The Initial Decision is hereby AFFIRMED, and the recommendations of the administrative law judge are incorporated herein by reference. No exceptions to the Initial Decision were filed, and we find that it was reasonable and properly based on the record.

The first full paragraph on page 12 of the Initial Decision is MODIFIED to reflect that, in accordance with N.J.S.A. 4:1C-14g., certain county agriculture development boards, including the Monmouth County Agriculture Development Board (MCADB), were constituted prior to May 3, 1982 and permissibly consist of nine (9) voting members, a simple majority of which is actively engaged in farming.

The State Agriculture Development Committee also AFFIRMS the July 20, 2011 order that permitted intervention in this matter by the Township of Colts Neck, which had appeared before the MCADB as an objector to petitioner's application for a site specific agricultural management practice determination.

IT IS SO ORDERED.
