- 2) That John Anderson is engaged in a generally accepted agricultural operation or practice pursuant to N.J.A.C. 2:76-2B.2;
- 3) That, having received notice of the hearing, Knowlton Township appeared through its Zoning Officer, who advised that the Township had no objection to the requested relief;
- 4) That John Anderson has a legitimate farm based reason for not complying with the Township of Knowlton's ordinances requiring a variance to build a barn in the front yard.
- 5) That the barn building of approximately 40X70 feet, will not implicate any health, safety or welfare issues;
- 6) That the Township of Knowlton shall immediately issue all appropriate permits for the construction of a barn as presented in the application submitted to the CADB;
- 7) That the Board retains jurisdiction of this matter.
