

The USEPA WaterSense Program's annual Fix a Leak Week is March 19 through 25, 2018.

- WaterSense® has a variety of tools and resources to plan ways to help homeowners find and fix leaks.
- Household leaks waste nearly one trillion gallons of water per year, an average of 10,000 gallons of water per household.
- Go to <https://www.epa.gov/watersense/fix-leak-week> for more information on how to find and fix leaks inside and outside your home to save valuable water.
