**Parties of Record:**

**Stephen B. Genzer, Esq., Saul Ewing, LLP, on behalf of SUEZ Water New Jersey, Inc.**  
**Stefanie A. Brand, Esq., Director, New Jersey Division of Rate Counsel**

**BY THE BOARD:**

On October 7, 2015, pursuant to N.J.S.A. 48:2-21, N.J.A.C. 14:1-5.12, and other relevant statutes and regulations, United Water New Jersey, Inc. ("SUEZ," "Company," or "Petitioner"),<sup>1</sup> a public utility of the State of New Jersey subject to the jurisdiction of the Board of Public Utilities ("Board") filed a petition seeking to increase its rate for water service amounting to approximately \$29,485,322 or 13.51% above the annual revenues. The increase in rates is proposed to become effective on November 30, 2015. The Petitioner did not seek interim rate relief pending final determination on the petition.

The Company is engaged in the business of collecting, treating, and distributing water for retail service to customers located in the northern and western portions of the State. Specifically, SUEZ serves approximately 200,000 customers located in portions of Bergen, Hudson, Passaic, Morris, Hunterdon and Sussex Counties. SUEZ also supplies water service to municipalities including the Township of Saddle Brook, the Borough of Fairlawn, the Borough of Saddle River,

<sup>1</sup> By letter dated January 27, 2016, from Stephen B. Genzer, Esq., to the Honorable Irene Kim Asbury, Secretary, Board of Public Utilities, it was advised that the United Water Inc. companies have changed their operating names to SUEZ, the ultimate corporate parent of United Water, and therefore it was requested that the caption for this matter be revised as follows: "In the Matter of the Petition for Approval of an Increase in Rates for Water Service and Other Tariff Changes for SUEZ Water New Jersey Inc."

the Borough of Allendale, the Borough of Mahwah, the Village of Ridgewood and the Borough of Ramsey.

According to the petition, the rate increase is required to enable the Petitioner to maintain a satisfactory credit position; preserve its financial integrity; permit proper maintenance and improvement of the utility facilities required to furnish safe, adequate and proper service; encourage continued effective management; provide incentives for efficiency; prevent confiscation or diminution of its property; and earn a reasonable return upon the fair value of its property used and useful in the public service.

The Board transmitted this matter to the Office of Administrative Law ("OAL") for hearings, where it was docketed as PUC 16468-15, and on November 16, 2015, the Board issued an Order suspending the Company's proposed rate increase until March 30, 2016.

Because this matter is still pending before the OAL, and that the proposed revisions will increase existing rates and change or alter existing classifications in Petitioner's tariff, it is **HEREBY ORDERED** that:

- (1) Pursuant to N.J.S.A. 48:2-21, the proposed revisions be, and are further suspended until July 30, 2016, unless the Board prior to that date, makes a determination disposing of the petition;
- (2) Petitioner shall, at least ten (10) days prior to the date set for hearing on the petition by the Office of Administrative Law, file with this Board and with the OAL (33 Washington Street, Newark N.J. 07102) proof of compliance with the Notice provisions of N.J.S.A. 48:2-32.2 and N.J.A.C. 14:1-5.12(b) and (c), which Notice shall include a statement that any relief found by the Board to be just and reasonable may be allocated by the Board to any class or classes of customers on any rate or schedule as the Board may determine; and
- (3) Petitioner shall serve copies of this Order upon the OAL, Division of Rate Counsel (140 East Front Street, 4<sup>th</sup> Floor, Post Office Box 003, Trenton, NJ 08625-0003), the clerk of each affected municipality, the clerk of the Board of Chosen Freeholders of each affected county, and where appropriate, the executive officer of each affected county within its service area. Service of the petition, notice of hearings, and this Order may be made simultaneously. Proof of service of this Order shall be filed with the Board within fifteen (15) days of the date of this Order.

This Order shall be effective on March 28, 2016.

Re: Corporate Name Change of the United Water Inc. Companies

Dear Secretary Asbury:

As of November 9, 2015, the United Water Inc. companies (the "Companies") have changed their operating names (and tariffs) to SUEZ, the ultimate corporate parent of United Water. Therefore, the following matters currently pending before the Board of Public Utilities (the "Board") should reflect this corporate name change in their captions. I am authorized by SUEZ to communicate these changes to you, regarding both the matters in which we represent the Companies and matters in which the Companies are represented by other counsel.

Since the effective date of the name change, the Companies have been using the new name on documents formally filed with the Board. I have attached a copy of our letter dated November 12, 2015 indicating those corporate name changes. This letter is simply meant to ensure your records reflect the correct captions. We are providing extra copies of this letter for your convenience in populating those files. The case captions which are subject to revision are set out below:

Re: Corporate Name Change of the United Water Inc. Companies

Dear Secretary Asbury:

SUEZ Group ("SUEZ") is the ultimate corporate parent of United Water Inc. and the following public utility subsidiaries providing service in New Jersey: United Water New Jersey Inc., United Water Toms River Inc., United Water Arlington Hills Sewerage Co. Inc., United Water West Milford Inc., United Water Matchaponix Inc., and United Water Princeton Meadows (together, the "New Jersey Operating Utilities"). SUEZ is a global enterprise with over 80,000 employees operating in 70 countries under 50 different brands. Earlier this year, SUEZ announced that it intended to operate its various businesses under a single brand: SUEZ. Consistent with that effort, the New Jersey Operating Utilities are undergoing name changes. The purpose of this letter is to advise the Board of Public Utilities (the "Board") that the name changes set out below became effective on November 9, 2015:

<b>COMPANY NAME</b>	<b>NEW COMPANY NAME</b>
United Water New Jersey Inc.	SUEZ Water New Jersey Inc.
United Water Toms River Inc.	SUEZ Water Toms River Inc.
United Water Arlington Hills Sewerage Inc.	SUEZ Water Arlington Hills Inc.
United Water West Milford Inc.	SUEZ Water West Milford Inc.
United Water Matchaponix Inc.	SUEZ Water Matchaponix Inc.
United Water Princeton Meadows Inc.	SUEZ Water Princeton Meadows Inc.

Corresponding changes will be made to bills, signage, vehicles and uniforms during the remainder of this year and early next year. The New Jersey Operating Utilities will notify their customers of the name change through an outreach program beginning in early November, which will employ digital and print advertising, bill inserts, website and social media postings,

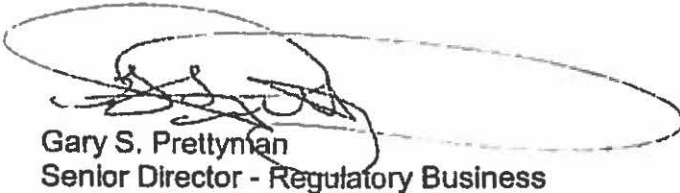

Honorable Irene Kim Asbury, Secretary  
November 12, 2015  
Page 2

and outdoor advertising. The name changes will have no impact on the New Jersey Operating Utilities' customers, who will continue to receive water service under the same rates, terms and conditions as are currently in effect.

Finally, so that the Board's records accurately reflect the name changes of the New Jersey Operating Utilities, enclosed are copies of various materials filed with, and received from, the New Jersey Secretary of State effectuating the name change. Additionally, the New Jersey Operating Utilities also attach a complete copy of their Board-approved tariffs which indicate the name changes and their effective date. To assist the Board a red-lined copy of the tariffs is also being included.

Please feel free to contact me if you have any questions regarding the name change or any of the attached materials.

Best regards,

Gary S. Prettyman
