Docket No. QO16060525 – In the Matter of Revisions to New Jersey’s Clean Energy Program Fiscal Year 2017 Protocols to Measure the Resource Savings – Motion for Reconsideration

Dear Mr. Bevan:

By way of correspondence dated July 13, 2016, you filed a motion for reconsideration of a portion of the Board of Public Utilities’ (“Board”) June 29, 2016 Order in the above referenced matter on behalf of Bloom Energy Corporation. Please be advised that N.J.A.C. 14:1-8.7 (c) provides, with respect to motions for rehearing or reconsideration, that “[a]ny motion hereunder which is not granted or otherwise expressly acted upon by the Board within sixty (60) days after the filing thereof, shall be deemed denied unless the parties are otherwise notified in writing by the Board or its Secretary.” Due to the timing of the Board’s agenda meetings as well as the pending review of the motion, a decision cannot be issued within the sixty (60) day time period.

Therefore, please be advised that the Board intends to continue its review of the above-referenced request for reconsideration beyond the sixty (60) day time period. Having taken such action, the Board notes that accordingly, the motion for reconsideration shall not be deemed denied under N.J.A.C. 14:1-8.7(c), and shall remain open pending the Board’s issuance of a final decision upon the completion of its review.

Sincerely,

A handwritten signature in black ink that reads "Irene Kim Asbury". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
