

How NJ Can Help: Other Programs

NEW JERSEY SHARES (NJ SHARES)

NJ SHARES provides assistance to households in need of temporary help paying their energy bills due to a financial crisis. Applicants must have a history of good-faith payments with their energy company and not be eligible for LIHEAP, USF, TRUE or PAGE programs. Call 866-657-4273 or go to www.njshares.org.

WINTER TERMINATION PROGRAM (WTP)

WTP protects residential customers from disconnection of natural gas and electric service from November 15th - March 15th if they participate in: USF, LIHEAP, Lifeline Utility Assistance Program, Pharmaceutical Assistance to the Aged and Disabled (PAAD), Work First New Jersey/Temporary Assistance to Needy Families, or Federal Supplemental Security Income (SSI). Also, persons unable to pay their utility bills because of circumstances beyond their control may request the protection of WTP. Customers should make every effort to pay as much of their bill as possible during the WTP period to avoid a large overdue balance at the end of the WTP.

How do I enroll in WTP?

You must call your utility company and request protection under the WTP and explain why you need this protection. For more information about the WTP, or if you have a complaint about your utility company, please call the Board of Public Utilities at: 1-800-624-0241. You can also view the Utility Customer's Bill of Rights at the website: www.nj.gov/bpu/assistance/rights/
