2016 LAW ENFORCEMENT EXAM (LEE) ADMINISTRATION GUIDE

Introduction

The New Jersey Civil Service Commission (CSC) has prepared this guide for candidates who will participate in the 2016 Entry-Level Law Enforcement Examination (LEE). This guide is designed to help candidates understand the testing process and prepare for the examination administration, as well as explain what to expect post-examination.

The 2016 LEE announcement consists of the following 9 titles: Municipal Police Officer, County Police Officer, Park Police Officer, Campus Police Officer Recruit, Police Officer Recruit Human Services, Police Officer Palisades Interstate Park, Sheriff's Officer, County Correction Officer, and Correction Officer Recruit Juvenile Justice. There are also bilingual variants for some of these titles, which will be noted in the announcement.

Along with the 2016 LEE announcement, there also are/were separate 2016 announcements for the titles of Parole Officer Recruit, Parole Officer Recruit Bilingual in Spanish and English, and State Correction Officer Recruit. Anyone who applies (or has applied) for more than one of these four announcements will only have one opportunity to sit for the exam, regardless of the number of titles for which they have applied. The score achieved on the exam will be applied to any of these aforementioned titles for which you have applied.

Information contained in this administration guide concerning the exam process is, therefore, also relevant to candidates who have applied for the 2016 announcements for State Correction Officer Recruit, Parole Officer Recruit, and Parole Officer Recruit Bilingual in Spanish and English. Please note, however, that information contained in the FAQs section (pages 6-11) is primarily relevant for the LEE announcement. Any additional information that pertains to State Correction Officer Recruit and/or Parole Officer Recruit will be noted in red font.

We encourage candidates to review this guide and the Law Enforcement Aptitude Battery (LEAB) Assessment Preparation Guide carefully. Candidates should take advantage of any and all opportunities to prepare for the examination.

Please note that no “study group” has been involved in the development or review of CSC examinations, and at no time has any examination material been provided to such groups. Additionally, the CSC is not responsible for any claims made by “study groups” or the manner in which they represent themselves for advertisement purposes.

Why do candidates have to take an examination?

The selection process in New Jersey's Civil Service System is designed to provide all applicants with an equal opportunity to compete for a position. The examination will serve as one objective tool in this process. Test scores will be used to identify qualified candidates and to generate a ranked list of eligibles to be considered for appointment by each jurisdiction.
How is the examination developed?

The examination will be designed based on the information obtained from a job analysis of the targeted law enforcement titles. A job analysis is the process of critically examining job components in order to provide a functional description of a job. The job analysis provides a description of the duties performed by incumbents (permanent employees) and identifies the Knowledge, Skills, and Abilities (KSAs) that are required to effectively perform each of these duties. As a part of this job analysis, information was gathered about the job through interviews, surveys, and/or observations of on-the-job activities of incumbents. Based on this job analysis, several KSAs were identified and rated as to their importance for job success. Examination questions will relate to those KSAs that were determined to be most critical.

When and where will the examination be held?

The tentative timeframe to administer the 2016 LEE is Fall, 2016. However, in the event there are difficulties scheduling the examination for any unforeseen reason, the examination date may change. Candidates will be notified of their specific test date when examination notices are mailed two to three weeks prior to the test date. Candidates may be scheduled to take the examination at various sites (north, central, and south) throughout the state. Once candidates are notified of their scheduled test center, directions can be obtained from our website at http://www.state.nj.us/csc/about/contact/testing/. Map out a travel route in advance of the examination date and plan to arrive at the test center early, since no one will be admitted late. Candidates will not be allowed to refer to this guide or the LEAB Assessment Preparation Guide after they arrive at the test center.

With the threat of high-tech cheating on the rise, possession of electronic devices such as cell phones, pagers, tablets, PDAs, MP3 players, photographic/recording equipment, or other similar electronic communication devices is prohibited at test centers. Candidates who are seen with these devices in the test center, even in a power-off mode, will be disqualified and dismissed immediately. The device may also be confiscated to ensure that an attempt was not made to compromise the testing process. In addition, briefcases and other personal items should not be brought inside the test center. The CSC is not responsible for any personal items.

Upon completion of the testing process, candidates must leave the testing premises so that other candidates (still involved in the testing) will not be distracted by outside conversations. In some cases where the testing of multiple sessions is being conducted, you may be held, as a group, and released when the next group arrives. This is done in order to prevent interaction between those who have been tested and those who have not yet been tested.
Where can I learn more about the examination and how to prepare for it?

The Law Enforcement Aptitude Battery (LEAB) Assessment Preparation Guide is designed to assist test-takers in preparing for the 2016 LEE. It includes information about the types of questions on the exam and how the exam is scored, as well as provides preparation strategies. Only candidates who have already applied to take the LEE will be able to access this guide. Once you complete your online application, a confirmation screen will be displayed. In that confirmation note, you will be directed to a website and given an “access code,” which will allow you to view EB Jacobs’ LEAB Assessment Preparation Guide.

What will happen on the day of the examination?

On the day the examination is scheduled, plan to arrive at your designated testing site early. Due to the nature of the examination administration, NO ONE WILL BE ADMITTED LATE. You will be notified by mail of the time and place of the examination. Bring your notification card, two sharpened Number 2 pencils, and two forms of identification (ID). One form of identification MUST include your photograph. Failure to bring a photo ID will result in your being excluded from taking the examination. Valid forms of ID include: driver’s license, passport, social security card, employee ID, county ID, bank-issued credit card with photo, and government-issued assistance ID (i.e., welfare). Forms of ID that are NOT accepted include: library card, shopping club card, and retail or department store issued credit card. If you are unsure whether your ID is acceptable, call the CSC at (609) 292-4144 before your test date to find out what is or is not a valid form of ID.

Your notification card may not have an assigned room (a letter) for you to report to; therefore, your room assignment will be made at the test center, and staff there will direct you to a test room. Pay attention to any SPECIAL messages that might appear on your notification card.

What should candidates do if they need special assistance or ADA accommodations?

Candidates who require special accommodations for this exam should check off the “ADA Assistance” box on the “Preferences” tab of their online application. This includes candidates who are requesting accommodations for the first time, as well as candidates who are already on file with the CSC as being approved for accommodations. Candidates with a first-time accommodation request will be contacted regarding the next step in being approved for ADA assistance. Candidates who are already on file as being approved for ADA assistance will receive confirmation and further information.

Anyone who receives their test notice but has not yet been contacted about their accommodations for this exam, or is not sure that their accommodation needs are in place for this exam, should contact Marty Berrien at (609) 292-4144, extension 1991001.
Can candidates request a make-up examination?

According to the New Jersey Administrative Code 4A:4-2.9(c), make-up examinations for public safety open competitive and promotional examinations may only be authorized for the following reasons:

- Death in the candidate’s immediate family;
- Error by the Civil Service Commission or Appointing Authority;
- When required for certain persons returning from military service (see N.J.A.C. 4A:4-4.6A); or
- A catastrophic health condition or injury, which shall be defined as either (1) a life-threatening condition or combination of conditions or (2) a period of disability required by the candidate’s mental or physical health or the health of the candidate’s fetus which requires the care of a physician who provides a medical verification of the need for the candidate’s absence from work for 60 or more days.

Make-up requests, with supporting documentation, must be submitted in writing within five days of receipt of the test notification. However, in situations involving an illness, death, or natural disaster that occurs on or immediately before the test date, a request for make-up must be made in writing no later than five days after the test date. Written requests for make-up examinations should be mailed to: Public Safety Make-up Unit, Civil Service Commission, P.O. Box 310, Trenton, NJ 08625-0310.

All make-up requests based on medical grounds must include a New Jersey Civil Service Commission Medical Authorization Form for Make-up Examinations (DPF-728). This form can be obtained from our website by clicking here or by contacting the CSC’s Information Center at (609) 292-4144.

What about security issues?

All candidates will be required to sign a pledge form at the test center stating that they will not discuss the content of the examination with any candidates, individuals, groups, or organizations whose interest in the test process, product, or material could conflict with the objectives of the CSC.

Will candidates get a chance to review their answers after the exam is held?

To protect the security of this examination, there will be no post-exam review of any test material.
If candidates have a complaint, how can they appeal?

If a problem occurs during the administration of the examination which causes a candidate to be placed in a position of disadvantage, an objection to the manner in which the examination was administered must be filed prior to leaving the test center. Appropriate forms will be provided for that purpose on the day of the examination.

Candidates may file a content appeal if they believe the examination material is not appropriate for that title. Content appeals must be filed within five (5) days of the examination administration.

If a candidate wishes to file an appeal, he/she should be as specific as possible. Appeals based solely on opinion or rumor will not be addressed. If a candidate disagrees with a question, he/she should give specific reasons or proof as to why he/she disagrees.

Each comment, suggestion, and appeal will be handled properly. The CSC will not entertain any UNSUBSTANTIATED complaints regarding breaches of security. Investigation and action will be taken only on signed complaints which are fully documented, i.e., which include the names of individuals who discussed the materials, as well as any witnesses to the discussion, nature of the discussion, and the date and place where the discussion occurred.

Is there a charge for submitting an appeal?

Candidates should be aware that as of July 1, 2010, all appeals pertaining to exam administration and/or exam content are subject to a $20 processing fee, paid by check or money order to NJ CSC. Persons receiving public assistance or who have veteran status are exempt from this fee.

What happens if the examination is postponed?

If circumstances force postponement of the examination or in the case of inclement weather, the CSC will notify local radio stations as soon as that decision has been made. Please listen to local radio stations for examination postponement information. A message will also be posted on the CSC website at http://www.state.nj.us/csc/. Candidates may also call the CSC directly at (609) 292-4144 and listen to the pre-recorded message to find out the status of the examination.
When will exam results from the 2013 LEE expire?

The eligible pool resulting from the 2013 LEE announcement will expire when the new pool from the 2016 LEE announcement becomes active. (Likewise, the eligible list resulting from the 2015 State Correction Officer Recruit announcement will expire when the new list from the 2016 State Correction Officer Recruit announcement becomes active.)

Will candidates be able to carry over their score from the 2013 LEE to the 2016 LEE announcement?

No. Candidates who took the 2013 LEE cannot carry over their scores to the 2016 LEE announcement. If you want to be included in the new eligible pool resulting from the 2016 announcement, you must file a new application and take the exam when it is scheduled. (Likewise, candidates may NOT carry over their score from the 2015 State Correction Officer Recruit exam to the 2016 State Correction Officer Recruit announcement.)

If I took the 2015 State Correction Officer Recruit exam and I submit an application for the 2016 LEE announcement, will I be scheduled to take the LEE?

Yes. Candidates interested in employment for any of the titles within the 2016 LEE announcement will need to submit a LEE application along with the required application processing fee, then take and pass the examination.

Once I’m scheduled, may I change my testing location?

No. We make every effort to schedule candidates according to the preference indicated on their applications; however, because of the high volume, we may not always be able to do so. When you file your application, it is very important that you indicate the county where you prefer to take the examination. If you leave that part of your application blank, you will automatically be scheduled for testing in Mercer County.

What is my Applicant ID number?

In accordance with N.J.S.A. 11A:4-1, all job applicants are requested to provide their Social Security Number (SSN) on applications to establish a unique means of identifying all of their records throughout the selection and appointment processes. Providing your SSN is voluntary. If you do not provide your SSN, another unique identification number will be assigned to you, and that number will appear on all subsequent records related to this exam. You must use this number to fill out your answer sheet at the test center so that your test results may be matched to your candidate record. However, in order to receive the CSC veteran’s preference, you must provide your SSN.
Where can I find more information about each of the titles covered by the LEE?

To view a job specification for each title, click on the corresponding title below:

- Municipal Police Officer
- Campus Police Officer Recruit
- County Police Officer
- Park Police Officer
- Police Officer Recruit, Human Services
- Police Officer, Palisades Interstate Park
- Sheriff’s Officer
- County Correction Officer
- Correction Officer Recruit, Juvenile Justice

(The job specification for State Correction Officer Recruit can be found at http://info.csc.state.nj.us/jobspec/32641.htm. Additional information may also be found on the NJ Department of Corrections website at http://www.state.nj.us/corrections/pages/careers.html.)

Is there a minimum and maximum hiring age?

Yes, for all titles associated with the LEE (and also State Correction Officer Recruit and Parole Officer Recruit), there is a minimum hiring age. Candidates need to be at least 18 years of age on or before the Closing Date shown on the examination announcement.

The only title in the LEE announcement that has a maximum hiring age is Municipal Police Officer. Applicants over age 35 as of the closing date of the examination are not eligible for Municipal Police Officer positions, with certain exceptions. (An applicant is considered to be over 35 the day of his/her 35th birthday.) By law, applicants may reduce their age by deducting the following: (1) the amount of their military service time that falls within the location and time limit criteria for New Jersey veteran’s preference and/or (2) the amount of time previously served in certain law enforcement titles. To qualify for this provision, separation from prior service must have been for reasons other than removal for cause or charges of misconduct or delinquency. Please click here for the Municipal Police Maximum Hiring Age Information Sheet. (There is no maximum hiring age for State Correction Officer Recruit or Parole Officer Recruit.)

How can I get veteran’s preference?

You will need to meet the veteran’s preference requirements of the NJ Department of Military and Veterans Affairs (NJDMVA) in order to claim veteran’s preference for any examination. If you do meet those requirements, you should claim veteran’s preference on the application form and submit the required proof to be awarded the preference for the LEE examination and all future CSC examinations. If you do not submit the required documentation, you will not be able to claim veteran’s status for this announcement.

A completed Civil Service Veteran’s Preference Claim Form (available by clicking http://www.state.nj.us/military/veterans/njdmava_form_05A-1.pdf), along with the required documentation, must be submitted directly to the NJDMVA. You may visit NJDMVA’s website
or contact them at 1-888-865-8387 to obtain a Civil Service Veteran’s Preference Claim Form or for more information.

You don't have to wait for an examination to be announced to file for veteran’s preference. We encourage you to do it as soon as possible to ensure that your paperwork is processed on time for this examination. Preference must be established no later than 8 days prior to list issuance, and once established, is good for life. Additional information regarding New Jersey veteran’s preference can be found at http://www.state.nj.us/csc/seekers/veterans/index.html.

Do veterans get extra points?

No extra points are given to veterans. However, eligibles with disabled veteran or veteran status are grouped at the top of the certification list by their veteran status and then by their final averages. Disabled veterans are placed above veterans who, in turn, are placed ahead of non-veterans.

Do children of deceased law enforcement officers killed in the line of duty receive preference?

Children of a deceased law enforcement officer, who was killed in the line of duty, receive preference in appointment second to that accorded to veterans pursuant to current law, but superseding that accorded to non-veterans. All duly qualified applicants whose natural or adoptive parent was killed in the lawful discharge of official duties while serving as a law enforcement officer in any law enforcement agency in the State at any time prior to the closing date for the filing of an application, provided that required documentation is submitted with the application by the closing date, shall be accorded this preference. This paragraph shall not, however, be applicable if the municipality has entered into a consent decree with the United States Department of Justice concerning the hiring practices of the municipality.

When a veteran and a non-veteran whose parent was killed in the lawful discharge of official duties while serving as a law enforcement officer in any law enforcement agency in the State are duly qualified applicants for a position, first preference shall be given to the veteran.

What about tie scores?

The CSC does not break ties. Candidates who have the same final average and veteran’s status have equal ranking on a certification. For example, if there are 20 people on the certification with the same final average and they are all non-veterans, they will be listed in alphabetical order by their last names, but they all have the same rank on that certification. If one of them is reachable for an appointment, all are reachable, and the Appointing Authority may hire any one of them.
What is a certification?

It is a list of names selected from the eligible pool that the CSC provides to an Appointing Authority (AA) for a specific jurisdiction or agency to use for their hiring process. The certification lists candidates who pass the exam and ranks them based on their score in the following order: disabled veterans (ranked by score), veterans (ranked by score), and non-veterans (ranked by score). There is no hiring list or rank until a certification is requested by the AA for a hiring agency and the certification list is issued by the CSC. (For State Correction Officer Recruit and Parole Officer Recruit, there is an actual list with ranks at the time exam results become active, as opposed to an eligible pool.)

If your name is certified to an Appointing Authority, a certification notice will be sent to the mailing address you listed on your application for the LEE, or that you have updated with the CSC as necessary. (For State Correction Officer Recruit, a certification notice will be sent to the email address associated with your Online Announcement System account, through which you applied for this announcement.) This is why you MUST notify the CSC if your mailing address and/or email address changes from the one you entered on your application.

If you receive a certification notice in the mail, you will be given five business days from the notice date to respond in writing to the AA that you are interested, or not interested, in the job. If you do not respond within this timeframe, your name will be removed from the certification and you will no longer be considered for appointment.

Does being certified mean I’ll be interviewed and/or appointed?

No. It means you MAY be interviewed and/or considered for appointment if you are reachable on the certification list.

Once a certification is issued, how are people chosen for appointment?

The process is described below:

1. The Appointing Authority conducts background investigations for eligible candidates who indicate interest in being appointed. These investigations may include reports from their criminal, employment, and driving records. The AA will usually disqualify anyone with negative reports. In accordance with NJAC 4A:4-6, any false statement of any material fact (including educational and employment record) or any deception or fraud in any part of the selection or appointment process will be grounds for disqualification and possible legal action.

2. Not all eligibles who pass the background investigation are offered the currently available jobs. Disabled veterans and veterans have absolute preference and must be appointed first. Where there are no disabled veterans or veterans, the “rule of three” applies. This means that the AA may select any one of the first three non-veterans for each appointment they make.

3. The AA will schedule medical and psychological examinations for those candidates who are selected.
4. Candidates must pass both the medical and psychological examinations to be appointed.

5. The AA will forward the completed certification with supporting documentation to the CSC, where it will be reviewed for compliance with civil service rules and regulations.

The selection process often takes six months or more because it is so involved, so please be patient.

Please Note: A candidate who is disqualified for a negative background investigation will be removed from the pool for all future certifications for any title.

Who does the actual hiring?

Each jurisdiction or agency has its own Appointing Authority for the selection process. The CSC reviews the AA’s documentation for each certification to ensure compliance with related rules and regulations. The CSC is not the Appointing Authority for entry-level law enforcement titles.

How do I notify the CSC about a change in my name, mailing address, or email address?

You must immediately notify the CSC in writing if you change your name, mailing address, or email address, or if it is printed incorrectly on a notice that you receive from us. To ensure that your records are updated correctly, please include the following in your request for change:

1. Your name;
2. Your social security number or, if you have been assigned a unique number for the examination process, include that number;
3. Your new mailing address, including zip code;
4. Where you actually live, if it is different from your mailing address;
5. Your daytime telephone number;
6. Your current e-mail address; and
7. The effective date of the change.

This information may be mailed or faxed as follows:

NJCSC Information Center
P. O. Box 310
Trenton, NJ 08625-0310
Fax: (609) 984-1064

You may also submit the request electronically through our website at https://info.csc.state.nj.us/mailer/ChangeAddress.aspx.

For security reasons, changes cannot be made from telephone calls.
Does changing my address after the Closing Date affect my eligibility for appointment?

Since eligibility needs to be established as of the Closing Date of the announcement, your residency code cannot be changed after the Closing Date, even if you change your residence address or mailing address. If you change your residence to another jurisdiction after the closing date, you may not be eligible for appointment in your former or new jurisdiction. Please research with both jurisdictions to see how their residency requirements will affect you before you change your residence address or mailing address.

Tips for test takers

The test you will take is designed to assess job-related knowledge, skills, and abilities that have been deemed important for job success. Based on standards contained in the Federal Uniform Guidelines on Employee Selection, only those job-related knowledge, skill, or ability areas that are necessary upon entry to a job are suitable for employment testing. In other words, if a subject area or ability can be learned on the job, it will not be represented on a test used to hire or promote job candidates. The CSC relies on the expertise of Subject Matter Experts (i.e., those with knowledge regarding the performance standards and requirements of the job) to make these determinations. For this reason, there may be some job areas not represented on this test.

In cases where generalized test questions are used, the important thing to remember is that the nature, context, or topic of the question is not as important as the underlying knowledge or ability required to answer the question. For example, a group of test questions referencing a set of rules and regulations may be included on a test in order to assess a job candidate’s ability to interpret and apply rules based on the circumstances presented within a given situation. In this example, the specific content of the rules or the agency from which the rules have been taken is not necessarily important. In fact, the rules themselves may come from a fictitious organization. What is important is the candidate’s ability to consider all the information presented and, through the proper analysis of this information, select the best answer to each question.

Below are a few test-taking strategies that may help you successfully complete your examination:

- Listen to the instructions provided by the test monitor. Ask questions if you’re not sure what is being said.
- Make sure you know how much time you have to complete the exam and check your time periodically to keep track of the amount of time remaining. You will be responsible for tracking your own time. No warnings will be given about how much time is left. If you finish early, take some time to review your answer sheet to ensure that you have answered all of the questions and that your answer selections are darkened completely.
- You will be permitted to write in your test booklet. As you proceed through the test, you may wish to circle key words or concepts that may be important in answering test questions. However, all answers MUST be marked on your answer sheet before time expires, in order for them to be scored.
• Read each question carefully to ensure you fully understand what is being asked, and then try to answer the question without looking at the options.

• Review each answer option carefully and select the one which best answers the question.

• If you don’t know the answer to a question, eliminate all options that are clearly wrong and place a mark next to the ones remaining. This will help you focus on the most viable options still to be considered.

• There is no penalty for guessing. So if you are still unsure of an answer, it’s better to guess than to leave it blank.

• When you have completed the test, review your answer sheet to ensure each question has been answered and that all erasures are clean and thorough.

What to expect post-exam

• Your answer sheet will be scanned by an Optical Mark Reader (OMR) and scored. The number of questions you answered correctly will be calculated. This is your “Raw” score.

• Those who have established New Jersey Civil Service veteran’s preference with the Department of Military and Veteran’s Affairs, and achieve a passing score, will be placed at the top of the eligible list (once a certification is called for) in rank order by test score.

• You will be sent a notification card indicating whether you achieved a passing score or not. If you passed the exam and your name is certified, you will also be given your rank on the eligible list along with the list issue and expiration dates. Please note that the rank you receive on one eligible list may be different from a rank on another eligible list (e.g., you could have a rank of 17 on a municipal police list and a rank of 200 on a county corrections list).

• The name and rank of those on an eligible list may NOT be viewed on the CSC’s website.

• When an Appointing Authority (hiring agency) is ready to hire or promote from an eligible list, they will request that the list be certified. They will be sent the names and addresses of the top scoring candidates. These candidates will also be notified that their names have been certified to the Appointing Authority.

• Candidates who have been certified must respond, in writing, to the Appointing Authority (within the timeframe stated on the notice) that they are interested in interviewing for a position. If candidates do not respond within this timeframe, they may be removed from the list and NOT considered for future appointments.

• Appointing Authorities may select from the top three eligible candidates or ranks. This is known as the “Rule of Three.”

• Once a certification has been exhausted or has expired, another certification may be issued as other job openings arise. Additional eligible candidates will appear on the new certification in rank order based on their scores. This process will continue until the entire eligible list is exhausted or eventually expires.
Conclusion

This guide was designed to help familiarize candidates with aspects of the administration of the 2016 LEE. The suggestions provided here are not exhaustive; we encourage candidates to engage in whatever additional preparation strategies they believe will enhance their chances of performing effectively on the examination.

Best of Luck on the Exam!
