

STATE FIRE MARSHAL MESSAGE

FIRE PREVENTION-FIREFIGHTER SAFETY

Excellence in Public Safety

William Kramer Jr., Acting Director

Charles A. Richman, Commissioner

AUGUST

2015

Gloucester was officially declared a disaster area last month in the aftermath of storms that devastated parts of the county.

Once again it was local fire departments that answered the call for the majority of incidents. Some volunteers were in response mode 24-7.

To relieve some of that burden, try to be out in front of any major disaster with a constant flow of preparedness messaging.
