Dear Mr. Wierer:

The Department of Environmental Protection's Division of Solid and Hazardous Waste is in receipt of a proposed amendment to the Bergen County District Solid Waste Management Plan (County Plan) dated February 23, 2021. This amendment to the County Plan proposes County Plan inclusion of the designation of the Township of Wyckoff Class C recycling center, located on Block 202, Lot 7.03, Charles Avenue in the Township of Wyckoff as a multi-class Class B & C recycling center. The daily capacity of the facility will be revised to allow for the receipt of 125 tons per day (tpd) of leaves and 55 tpd of tree branches, tree limbs, tree trunks, brush, and wood chips.

Pursuant to N.J.A.C. 7:26-6.11(b)5, the modification of an existing recycling facility can be accomplished via an administrative action. Therefore, the County Plan inclusion of the designation of a multi-class Class B & C recycling center and revised daily capacity are hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

Please be advised that this administrative action approval shall not be construed as an expression of the Department's intent to issue a general approval modification to the subject facility for the above noted operational changes.

If you have any questions relative to this action, please contact Dawn Slawsky of my staff at (609) 984-4250 or email at dawn.slawsky@dep.nj.gov.

Sincerely,

Seth Hackman, Chief
Bureau of Planning and Licensing
