Richard Wierer, Deputy Executive Director
Bergen County Utilities Authority
P.O. Box 9
Foot of Mehrhof Road
Little Ferry, NJ 07643

Dear Mr. Wierer:

The Department of Environmental Protection's Division of Solid and Hazardous Waste is in receipt of a proposed amendment to the Bergen County District Solid Waste Management Plan (County Plan) dated August 28, 2020. This amendment to the County Plan proposes County Plan inclusion of the modification to the daily incoming capacity of the National Transfer, Inc. TS/MRF, located on Block 169.02, Lots 21.01 and 21.05 at 445 North Main Street in the Borough of Lodi from 350 tons per day (tpd) to 449 tpd of solid waste types 10, 13, 13C, 23, and 27.

Pursuant to N.J.A.C. 7:26-6.11(b)4, one capacity increase over the operational life of a regulated solid waste facility can be accomplished via an administrative action. Therefore, this request for County Plan inclusion of the daily capacity increase to 449 tpd of solid waste types 10, 13, 13C, 23, and 27 at the National Transfer, Inc. TS/MRF is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

If you have any questions relative to this action, please contact Dawn Slawsky of my staff at (609) 984-4250 or email at dawn.slawsky@dep.nj.gov.

Sincerely,

Seth Hackman, Section Chief
Bureau of Planning & Licensing
