Commissioner

October 29, 2021

Richard Wierer, Deputy Executive Director
Bergen County Utilities Authority
P.O. Box 9
Foot of Mehrhof Road
Little Ferry, NJ 07643

Dear Mr. Wierer:

The Department of Environmental Protection's Division of Solid and Hazardous Waste is in receipt of a proposed amendment to the Bergen County District Solid Waste Management Plan (County Plan) dated October 14, 2021. This amendment to the County Plan proposes County Plan inclusion of the modification to the daily incoming capacity of the I.W.S. Transfer of NJ, Inc. TS/MRF, located on Block 1205; Lots 3.01, 10, and 11 at 60 Railroad Avenue in the Borough of Closter from 145 tons per day (tpd) to 244 tpd of solid waste types 10, 13, 13C, and 23.

Pursuant to N.J.A.C. 7:26-6.11(b)4, one capacity increase over the operational life of a regulated solid waste facility can be accomplished via an administrative action. Therefore, this request for County Plan inclusion of the daily capacity increase to 244 tpd of solid waste types 10, 13, 13C, and 23 at the I.W.S. Transfer of NJ, Inc. TS/MRF is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

Please be advised that this administrative action approval shall not be construed as an expression of the Department's intent to issue a Solid Waste Facility Permit modification to I.W.S. Transfer of NJ, Inc. TS/MRF for the above noted operational change.

If you have any questions relative to this matter, please contact Dawn Slawsky of my staff by e-mail at dawn.slawsky@dep.nj.gov.

Sincerely,

Dana Lawson, Environmental Specialist 4
Bureau of Planning and Licensing
