Dear Mr. Sullivan:

The Department of Environmental Protection's Division of Solid and Hazardous Waste is in receipt of a proposed amendment to the Gloucester County District Solid Waste Management Plan (County Plan) dated February 7, 2020. This amendment to the County Plan proposes County Plan inclusion of changes to the ownership and operator of Rosey's Tank Cleaning, LLC Transfer Station/Materials Recovery Facility located at 1940 Harris Drive, Block 486, Lot 39, in Deptford Township. Ownership of the facility is changed to Wind River Environmental, LLC and the operation of the facility will be performed by its subsidiary, ASAP Container Service, LLC. The above noted changes in ownership and operator will not result in any operational changes at the subject facility.

Pursuant to N.J.A.C. 7:26-6.11(b)14, the inclusion of a change in ownership and operator of an existing transfer station/ materials recovery facility can be accomplished via an administrative action. Therefore, the County Plan inclusion of a change in ownership and operator of the facility is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

If you have any questions relative to this matter, please contact Joanne McClendon of my staff at (609) 292-2125 or email at joanne.mcclendon@dep.nj.gov.

Sincerely,

Edward A. Nielwocki, Contract Administrator 3
