Dear Ms. Gismondi:

The Department of Environmental Protection's Division of Solid and Hazardous Waste is in receipt of a request for administrative action to the Gloucester County District Solid Waste Management Plan (County Plan) dated February 17, 2017. This request for administrative action to the County Plan proposes County Plan inclusion of the revised lot designation and address change for Clearland, Inc. Due to 9/11 County restructuring that occurred in 2011, the lot was renumbered from lot 7 to lot 32. The block number did not change. Specifically, the address changed from Route 77, Block 6, Lot 7 to the current 541 Bridgeton Pike, Block 6, Lot 32.

In summary, the following parcels are included in the County Plan for Clearland, Inc.:

- 541 Bridgeton Pike, Block 6, Lot 32.

The County Plan inclusion of the above noted changes in the address and lot designation of Clearland, Inc. will not result in any operational changes at the facility.

Pursuant to N.J.A.C. 7:26-6.11(b)14, change to the address and lot designation of an existing solid waste facility can be accomplished through an administrative action. Therefore, the County Plan inclusion in changes to the address and lot designation of Clearland, Inc. is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

If you have any questions relative to this matter, please contact Joanne McClendon of my staff at (609) 292-2125 or by e-mail at Joanne.mcclendon@dep.nj.gov.

Sincerely,

Edward A. Nielwocki, Contract Administrator 3
