Dear Mr. Heitman:

The New Jersey Department of Environmental Protection's Division of Sustainable Waste Management, Bureau of Solid Waste Planning and Licensing is in receipt of a proposed amendment to the Gloucester County District Solid Waste Management Plan (County Plan) dated April 11, 2023. The County proposes County Plan inclusion of Clean Harbors Environmental Services, Inc. (Clean Harbors) as an Intermodal Container Facility. The facility is located at 600 Crossroad Boulevard, in the Bridgeport section of Logan Township, Gloucester County and operates Monday to Friday between the hours of 6:00 am to 6:00 pm. On a daily basis, the facility will accept a total amount of approximately 90 tons of non-hazardous waste.

Pursuant to N.J.A.C. 7:26-6.11(b)11, the inclusion of a solid waste intermodal container facility can be accomplished via administrative action. Therefore, the County Plan inclusion of Clean Harbors Environmental Inc. intermodal solid waste container facility is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

If you have any questions relative to this action, please contact me at (609) 292-2402 or email at James.Pellegrini@dep.nj.gov.

Sincerely,

Jill Aspinwall, Section Chief
Bureau of Planning and Licensing
