Dear Mr. Sullivan:

On May 21, 2018, the Department of Environmental Protection's Division of Solid and Hazardous Waste (Department) received from the Gloucester County Improvement Authority (GCIA), a Plan Amendment (Amendment) to the Gloucester County District Solid Waste Management Plan (County Plan) adopted by the Gloucester County Board of Chosen Freeholders on May 2, 2018. The Amendment proposed County Plan inclusion to authorize the GCIA to enter into a 10-year contract with a Resource Recovery Facility (RRF). The Amendment was deemed to be administratively complete on May 21, 2018 and copies were distributed to various administrative review agencies for review and comment as required by law. Upon review, the Department determined that this activity can be included into the County Plan by Administrative Action per N.J.A.C. 7:26-6.11(b)14.

Upon completion of the bidding and awarding of the 10-year contract with a RRF, the GCIA shall submit to the Department a request for inclusion of the executed contract in the County Plan via Plan Amendment pursuant to N.J.A.C. 7:26-6.10(b)3.

Therefore, the County Plan inclusion for the authorization of the GCIA to enter into a 10-year contract with a RRF is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

If you have any questions relative to this matter, please contact Joanne McClendon of my staff at (609) 292-2125 or by e-mail at Joanne.mcclendon@dep.nj.gov.
