Dear Ms. Gismondi:

The Department of Environmental Protection's Division of Solid and Hazardous Waste is in receipt of a request for administrative action to the Gloucester County District Solid Waste Management Plan (County Plan), dated October 26, 2016. The subject request proposes County Plan inclusion to modify the operation at Safety Kleen Systems, Inc., located at 2858 Route 322, (Block 1502, Lot 11), Logan Township, to manage Regulated Medical Waste (RMW) as a "collection facility" at their Bridgeport location.

Pursuant to N.J.A.C. 7:26-6.11(b)12, the operation of a commercial collection facility for medical waste can be accomplished via an administrative action. Therefore, the County Plan inclusion of Safety Kleen Systems, Inc. operating as a RMW collection facility is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

Please be advised that this administrative action approval shall not be construed as an expression of the Department's intent to issue a permit modification to the subject facility for the above noted operational changes.

If you have any questions relative to this matter, please contact Joanne McClendon of my staff at (609) 292-2125 or by e-mail at [Joanne.mcclendon@dep.nj.gov](mailto:Joanne.mcclendon@dep.nj.gov).

Sincerely,
