Dear Ms. Gismondi:

The Department of Environmental Protection's Division of Solid and Hazardous Waste is in receipt of a request for administrative action to the Gloucester County District Solid Waste Management Plan (County Plan) dated October 31, 2018. The request proposes County Plan inclusion of a modification to correct a typographical error contained in a prior administrative action concerning the access drive at the Winzinger Recycling Systems, Inc. Class B Recycling Facility located in Franklinville, Gloucester County, NJ. The access drive was incorrectly listed as being on Block 2103, Lot 9. However, the access drive is located on Block 2103, Lot 29.

Pursuant to N.J.A.C. 7:26-6.11(b)14, a modification to correct the Block and Lot numbers of an existing facility can be accomplished via an administration action. Therefore, the request to correct the Block and Lot numbers for the access drive at the facility entrance of the Winzinger Recycling Systems, Inc. Class B Recycling Facility is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

If you have any questions relative to this action, please contact Joanne McClendon of my staff at (609) 292-2125 or email at [Joanne.mcclendon@dep.nj.gov](mailto:Joanne.mcclendon@dep.nj.gov)

Sincerely,

Edward A. Nielwocki, Contract Administrator 3
