Dear Mr. Johnson,

The New Jersey Department of Environmental Protection, Division of Sustainable Waste Management, Bureau of Planning and Licensing is in receipt of a request for administrative action to the Monmouth County District Solid Waste Management Plan (County Plan) dated November 10, 2022. This amendment to the County Plan proposes County Plan inclusion to add tile, brick, and block to the existing materials list for Freehold Cartage, Inc. (FCI) Class B Recycling Facility, to rectify certain inconsistencies between the FCI General Approval (GA) and the County Plan located at 825 State Highway 33, in Freehold Township.

There will be no impact to FCI's approved capacity of 800 tons a day and no changes to its daily operations.

Pursuant to N.J.A.C. 7:26-6.11(b)14, to rectify certain inconsistencies between the FCI GA and the County Plan can be accomplished via an administrative action. Therefore, this request is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

If you have any questions relative to this matter, please contact Joanne McClendon of my staff by e-mail at [joanne.mcclendon@dep.nj.gov](mailto:joanne.mcclendon@dep.nj.gov).

Sincerely,

Jill Aspinwall, Section Chief  
Bureau of Planning and Licensing
