Dear Mr. Dour,

The Department of Environmental Protection's Division of Solid and Hazardous Waste is in receipt of a proposed amendment to the New Jersey Sports & Exposition Authority (NJSEA) District Solid Waste Management Plan (District Plan) dated September 16, 2015. This amendment to the District Plan proposes District Plan inclusion of the corrected block and lot designation for Total Waste Services, Inc. Transfer Station/Material Recovery Facility (TS/MRF), located at 25-31 94th Street, Township of North Bergen, Hudson County. Specifically, the original District Plan inclusion documentation for the property listed Block 479, Lot 1.03. The correct designation is Block 480, Lot 1.03.

In summary, the following parcels are included in the District Plan for Total Waste Services, Inc. TS/MRF:

- Block 480, Lots 1, 1.01, 1.03, 6, 9 & 9.01

The District Plan inclusion of the above noted changes in the block and lot designation of Total Waste Services, Inc. TS/MRF will not result in any operational changes at the facility.

Pursuant to N.J.A.C. 7:26-6.11(b)14, a change in the block and lot designation of an existing solid waste facility can be accomplished through an administrative action. Therefore, the District Plan inclusion of changes in the block and lot designation of Total Waste Services, Inc. TS/MRF is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

If you have any questions relative to this matter, please contact Dawn Slawsky of my staff at (609) 292-4393 or by e-mail at dawn.slawsky@dep.nj.gov.
