P.O. Box 2191
Toms River, NJ 08754-2191

Dear Mr. Kuhlwein,

The Department of Environmental Protection's Division of Solid and Hazardous Waste is in receipt of a request for administrative action to the Ocean County Solid Waste Management Plan (County Plan) dated April 24, 2015. The April 24, 2015 request for administrative action proposes County Plan inclusion to incorporate the interim final elevation at the Ocean County Landfill Corporation facility to the height of 185 feet, while still maintaining a final settled elevation of 175 feet.

Pursuant to N.J.A.C. 7:26-6.11 (b) 5, the increase of capacity at an existing facility constitutes an approvable administrative action. Therefore, this request is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11 (f).

Please be advised that this administrative action approval shall not be construed as an expression of the Department's intent to issue a permit modification to the subject facility for the above noted operational changes.

If you have any questions relative to this action, please contact Ed Nielwocki of my staff at (609) 984-6939 or email at ed.nielwocki@dep.nj.gov.

Sincerely,

Deborah Pinto, Bureau Chief
Bureau of Planning & Licensing
