Ocean County Department of Solid Waste Management

P.O. Box 2191
Toms River, NJ 08754-2191

Dear Mr. Kuhlwein,

The Department of Environmental Protection's Division of Solid and Hazardous Waste is in receipt of the June 17, 2015 request for an administrative action to the Ocean County Solid Waste Management Plan (County Plan). The June 17, 2015 request for administrative action proposes County Plan inclusion to reflect the addition of Block 12, Lot 35 at the Suffolk Recycling Corporation (Suffolk) Class B recycling center located at 242 Dover Road, Borough of South Toms River, Ocean County. The inclusion of Block 12, Lot 35 will provide an adequate buffer for the facilities' operations. No permitted operations will occur on Lot 35. The County Plan included block and lots for the Suffolk Class B operation will now reflect Block 12, Lots 35, 39, 40 & 41.

Pursuant to N.J.A.C. 7:26-6.11(b) 5, the modification of an existing facility, including the expansion of facility buffer zones constitutes an approvable administrative action. Therefore, this request is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

Please be advised that this administrative action approval shall not be construed as an expression of the Department's intent to issue a permit modification to the subject facility for the above noted facility expansion.

If you have any questions relative to this matter, please contact Dawn Slawsky of my staff at (609) 292-4393 or by e-mail at dawn.slawsky@dep.nj.gov.
