Dear Mr. Kuhlwein:

The Department of Environmental Protection's Division of Solid and Hazardous Waste is in receipt of a request for administrative action to the Ocean County District Solid Waste Management Plan (County Plan) dated September 9, 2015. The request proposes County Plan inclusion to modify the blocks and lots associated with the Brick Wall Corporation Class B Recycling operation to include Block 4000, Lots 13, 14, 15, 16 and 17 and Block 4005, Lots 2, 4, 6, 8, 9 and 10 which include all tax parcels that comprise the Brick Wall property. Brick Wall Corporation was originally included in the Plan on July 24, 1995 for Block 4005, Lot 9, and a 40.87 acre lot that is part of the overall 387 acre site in Lacey Township.

Pursuant to N.J.A.C. 7:26-6.11(b) 5, inclusion to modify the blocks and lots associated with this facility constitutes an approvable administration action. Therefore, this request is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

Please be advised that this administrative action approval shall not be construed as an expression of the Department's intent to issue a permit modification to the subject facility for the above noted operational changes.

If you have any questions relative to this action, please contact Joanne McClendon of my staff at (609) 292-2125 or email at [Joanne.mcclendon@dep.nj.gov](mailto:Joanne.mcclendon@dep.nj.gov).

Sincerely,
