Dear Mr. Brennan,

The Department of Environmental Protection's Division of Solid and Hazardous Waste is in receipt of a proposed amendment to the Union County District Solid Waste Management Plan (County Plan) dated March 17, 2016. This amendment to the County Plan proposes County Plan inclusion of a change in ownership and name of the GlyEco Acquisition Corp #4 Class D Recycling Center, located on Block 4, Lots 39, 1447, 1448, 1449, 1466, and 1467 at 534 South Front Street in the City of Elizabeth, to Full Circle Manufacturing Group, LLC. The above noted change in ownership and name will not result in any operational changes at the subject recycling center, which is currently included in the County Plan for the acceptance and processing of a maximum of 92 tons per day of used antifreeze, various refined glycols, and used petroleum oil, 24 hours per day, seven days per week

Pursuant to N.J.A.C. 7:26-6.11(b)14, the inclusion of a change in ownership and name of an existing recycling center can be accomplished via an administrative action. Therefore, the County Plan inclusion of a change in ownership and name of the GlyEco Acquisition Corp #4 Class D Recycling Center in the City of Elizabeth to Full Circle Manufacturing Group, LLC is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).
