Dear Mr. Sullivan:

The Department of Environmental Protection's Division of Solid and Hazardous Waste is in receipt of a request for administrative action to the Union County District Solid Waste Management Plan (County Plan) dated October 27, 2015. The request proposes County Plan inclusion of the Waste Management of New Jersey, Inc. (WMNJI) intermodal solid waste container facility for approximately 5,800 tons per day of containerized Types 10, 13, 23, 25, 27 & 27I solid waste for transport to out-of-state disposal facilities. The facility will be located at 632-650 South Front Street, Block 4; Lots 1468 & 1469 in the City of Elizabeth.

Pursuant to N.J.A.C. 7:26-6.11(b)11, the inclusion of a solid waste intermodal container facility can be accomplished via an administrative action. Therefore, the County Plan inclusion of the WMNJI intermodal solid waste container facility is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).
