### CERTIFICATION OF THE DECEMBER 17, 2015 AMENDMENT TO THE UNION COUNTY DISTRICT SOLID WASTE MANAGEMENT PLAN

#### BY ORDER OF THE COMMISSIONER:

#### A. Introduction

The New Jersey Solid Waste Management Act (N.J.S.A. 13:1E-1 *et seq.*) established a comprehensive system for the management of solid waste in New Jersey. The Act designated all twenty-one (21) of the State's Counties, and the Hackensack Meadowlands District, as Solid Waste Management Districts, and mandated that the Boards of Chosen Freeholders and the Hackensack Meadowlands Development Commission (previously formally known as the New Jersey Meadowlands Commission, and now known as New Jersey Sports and Exposition Authority or NJSEA) develop comprehensive plans for waste management in their respective districts. On August 13, 1980, the Department of Environmental Protection (Department or DEP) approved the Union County District Solid Waste Management Plan (County Plan).

The Act further provides that a District may review its District plan at any time and, if found inadequate, a new District plan must be adopted. The Union County Board of Chosen Freeholders (County Freeholders) completed such a review and on December 17, 2015 adopted an amendment to its approved County Plan.

The December 17, 2015 Amendment (Amendment) proposes the County Plan inclusion of Trevcon Construction Co., Inc. Class B Recycling Facility to be located at Block 4, Lots 1459 and 1459A with a street address of 2-74 South Front Street in the City of Elizabeth for the receipt of a maximum of 800 tons per day (tpd) of brick, block, asphalt and concrete, and identifies the facility's operating hours as 7:00 am – 3:00 pm, Monday through Friday.

The Amendment was considered administratively complete for review by the Department on January 20, 2016, and copies were distributed to various administrative review agencies for review and comment, as required by law. The Department has reviewed this

Amendment, and has determined that the Amendment adopted by the County Freeholders on December 17, 2015 is approved as provided in N.J.S.A. 13:1E-24.

**B. Findings and Conclusions with Respect to the Union County District Solid Waste Management Plan Amendment**

Pursuant to N.J.S.A. 13:1E-24a(1), I have studied and reviewed the December 17, 2015 Amendment to the County Plan according to the objectives, criteria, and standards developed in the Statewide Solid Waste Management Plan and I find and conclude that the Amendment proposing inclusion of the Trevcon Construction Co., Inc. Class B Recycling Facility is consistent with the Statewide Solid Waste Management Plan. In this regard, the County Freeholders are notified of the elements of the Amendment which are included below.

**Elements of the December 17, 2015 Amendment**

**Element: Facility Operation**

The Amendment to the County Plan proposes County Plan inclusion of the Trevcon Construction Co., Inc. Class B Recycling Facility to be located at 2-74 South Front Street, Block 4; Lots 1459 and 1459A in the City of Elizabeth. The Amendment proposes that the subject facility be included in the County Plan for the receipt of a maximum of 800 tpd of brick, block, asphalt and concrete and identifies the facility's operating hours as 7:00 am – 3:00 pm, Monday through Friday.

**Element: Regulatory Requirements**

The owner or operator of a Class B recycling center must obtain a Class B Recycling Center General Approval prior to commencement of regulated recycling activities and shall also follow all pertinent regulations found at N.J.A.C. 7:26A-3.1 et seq. and the design and operational standards at N.J.A.C. 7:26A-4.1 and 4.8.

Recycling centers are subject to the provisions of N.J.A.C. 7:27-5, "Prohibition of Air Pollution." This regulation prohibits the release of odors and other air contaminants which interfere with the enjoyment of life and property. In addition, the owner or operator of a recycling center may require an air quality preconstruction permit and operating certificate in accordance with N.J.A.C. 7:27-8.2. Facilities operating diesel and gas vehicles are subject to the provisions of N.J.A.C. 7:27-14 and N.J.A.C. 7:27-15 requiring that vehicles comply with idling regulations.

Finally, if any operation of a recycling center will discharge pollutants as defined in N.J.A.C. 7:14A-1.2, the owner or operator of that recycling center must secure a New Jersey Pollutant Discharge Elimination System Permit pursuant to N.J.A.C. 7:14A-2.4(b)4.

C. **Certification of the Union County District Solid Waste Management Plan Amendment**

In accordance with N.J.S.A. 13:1E-1 et seq., specifically N.J.S.A. 13:1E-21, which establishes specific requirements regarding the contents of County solid waste management plans, I have reviewed the Amendment to the approved County Plan and certify to the County Freeholders that the December 17, 2015 Amendment is approved as further specified below.

The County Plan modification of the inclusion of the Trevcon Construction Co., Inc. Class B Recycling Center, to be located at 2-74 South Front Street, Block 4; Lots 1459 and 1459A in the City of Elizabeth for the receipt of a maximum of 800 tpd of brick, block, asphalt and concrete is approved.

This Certification shall not be construed as an expression of the Department's intent to issue a recycling center approval to any recycling center for Class B materials. A recycling center approval shall only be issued where the applicant has submitted an administratively complete application, as per N.J.A.C. 7:26A-3.5, where all the substantive criteria for approval set forth in N.J.A.C. 7:26A-3.2, 3.3, and 3.4 are satisfied, where a fee has been paid in accordance with N.J.A.C. 7:26A-2, and where none of the criteria for denial of a recycling center approval are met, as per N.J.A.C. 7:26A-3.12.

D. **Other Provisions Affecting the Plan Amendment**

1. **Compliance**

All solid waste facility operators and transporters registered with the Department and operating within the District and affected by the Amendment shall operate in compliance with this Amendment and all other approved provisions of the County Plan. 2. **Certification to Proceed with Implementation of Amendment**

This document shall serve as the Certification of the Commissioner of the Department to the County Freeholders and pursuant to N.J.S.A. 13:1E-24c. and f., the County Freeholders shall proceed with the implementation of the approved components of the Amendment certified herein.

**3. Definitions**

For the purpose of this Amendment and unless the context clearly requires a different meaning, the definitions of terms shall be the same as those found at N.J.S.A. 13:1E-3 and -99.12, N.J.A.C. 7:26-1.4, -2.13, and N.J.A.C. 7:26A-1.3.

**4. Effective Date of Amendment**

The approved components of the Amendment to the County Plan contained herein shall take effect immediately.

**5. Reservation of Authority**

Nothing contained herein shall be construed as a limitation on any other action taken by the Department pursuant to its authority under the law. The County Plan, including any Amendment made thereto, shall conform with the Statewide Solid Waste Management Plan, with appendices, which includes the Department's planning guidelines, rules, regulations, orders of the Department, and also includes the compilation of individual County Plans and Amendments as they are approved.

**E. Certification of Approval of the Amendment by the Commissioner of the Department of Environmental Protection**

In accordance with the requirements of N.J.S.A. 13:1E-1 et seq., I hereby approve the Amendment, as outlined in Section C. of this Certification, to the Union County District Solid Waste Management Plan which was adopted by the Union County Board of Chosen Freeholders on December 17, 2015.
