Dear Mr. Conturo:

The Department of Environmental Protection's Division of Sustainable Waste Management is in receipt of a request for administrative action to the Cape May County District Solid Waste Management Plan (County Plan) dated April 4, 2022. The subject request proposes County Plan inclusion to accept source separated concrete masonry brick and block and a change in name from the estate of Winifred Joan Daley to Daley's Pit Holding Company, LLC Class B Recycling Facility.

Pursuant to N.J.A.C. 7:26-6.11(b)5, the modification of an existing facility to include additional waste types and N.J.A.C. 7:26-6.11(b)14, to change the name of an existing Class B facility in the County Plan can be accomplished via an administrative action. Therefore, this request is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

If you have any questions concerning this matter, please contact Joanne McClendon of my staff by email at Joanne.mcclendon@dep.nj.gov.

Sincerely,

Jill Aspinwall, Section Chief
