Dear Mr. Rocco:

The New Jersey Department of Environmental Protection, Division of Sustainable Waste Management, Bureau of Solid Waste Planning & Licensing is in receipt of a request for administrative action to the Cape May County Solid Waste Management Plan (County Plan) dated June 2, 2023. This request for administrative action to the County Plan proposes County Plan inclusion of a change to the Block and Lot information of the Class B & C Recycling Facility portion of the Cape May County Secure Sanitary Landfill. The Authority's existing Solid Waste Management Plan has the Class B & C located on Block 128.02 Lot 1 and Block 128 Lot 3. The new consolidated Block and Lot is Block 123 Lot 1.

Pursuant to N.J.A.C. 7:26-6.11(b)14, County Plan inclusion of a change to the Block and Lot information of a facility constitutes an approvable administrative action. Therefore, the County Plan inclusion of a change to the Block and Lot information of the Class B & C Recycling Facility portion of the Cape May County Secure Sanitary Landfill is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

Please be advised that this administrative action approval shall not be construed as an expression of the Department's intent to issue a permit modification to the subject facility for the above noted operational changes.

If you have any questions relative to this action, please contact Austin Rusnak of my staff at (609) 984-4250 or email at austin.rusnak@dep.nj.gov.

Sincerely,

Jill Aspinwall, Section Chief
