INSTRUCTIONS FOR COMPLETING FORM NJPDES - 1

This form shall accompany all NJPDES permit applications and Requests for Authorizations (RFA) - (excluding RFA's for Stormwater General Permits which use different forms).

1. **Applicant(s)/Operating Entities** - Provide the name, as it is legally referred to, of the operating entity(ies) that is the applicant(s) in your application for the NJPDES permit. An "operating entity" is any firm, public agency, individual, or other entity which, alone or along with other operating entities, has primary management and operational decision-making authority over any part of a facility/site.
It is the duty of the operating entity(ies) to obtain a NJPDES permit. When a facility/site or activity is owned by one or more entities, but is currently operated by another entity(ies), it is the duty of the operating entity(ies) to obtain a NJPDES permit. If the facility/site named in Item 3 has an operating entity(ies) which is not an applicant submitting your application, attach an additional sheet that contains a statement to that effect and as much Item 1 information as you have about that operating entity(ies).
Provide the mailing address of the applicant(s). If the mailing address is outside the United States, provide the correct foreign mailing address. Provide the 9-digit Federal Tax Identification Number (also called Federal Identification Number) assigned to the applicant(s) by the IRS for tax reporting purposes. A "Property" includes all contiguous lots and blocks, including vacant land, owned or otherwise under the control of the owner or operating entity of the regulated facility. NOTE: For all DGW applications, the property owner where the discharge takes place must also sign item 12.
3. **Location of Facility/Site** - Provide the location of the facility/site. Street number and name must be used (PO Box #'s will not be acceptable). Use the municipality and county where the facility/site is physically located. Do not use local or neighborhood names.

Under Table B, list currently held permits and/or pending applications for this facility/site. For existing permits, list permit number(s) and expiration date.
7. **Other Permits** - This section provides the Department with a facility's permitting status and history. Next to each permit type, list the application number and the date of the approval or denial in the appropriate column. If the application is still pending, place a check in the far right hand column.

(Do not use the codes in the North American Industrial Classification System (NAICS) for the United States adopted by OMB in 1997.) For each SIC code, list the products or services provided. If the NJ Dept. of Labor (NJDOL) has assigned the applicant an SIC code(s), the list of SIC codes shall include, but not necessarily be limited to, the SIC "Industry Code" located in the upper left hand corner of NJDOL's Quarterly Contributions Report (with a check mark next to that code).
