Not to be missed!

Learn practical and cost effective technologies to restore wood windows sponsored by the New Jersey Historic Preservation Office and Proud Neighbors of Collingswood, a not-for-profit, civic organization. Instruction from the Editor-In-Chief of the renowned restoration magazine, “*Old House Journal*.”

This full-day, hands-on, workshop will teach you how to make your wooden windows completely functional for less money than replacement windows while retaining the architectural integrity of your house. Demonstrations will be provided on actual windows and enable you to undertake these skills in your own home.

Reserve today! Seats are limited for this valuable training workshop!

\$20*per person. Contact cSickler@Collingswood.com 856-854-2901 x125.

*This is an extraordinary value for professional instruction. The cost to CLG residents is only \$20 as a result of a training grant financed in part with federal funds from the National Park Service, U.S. Department of the Interior, and administered by the New Jersey Department of Environmental Protection, Historic Preservation Office, as well as, a donation from Proud Neighbors of Collingswood, a civic organization.

Advance reservations are required. The workshop is one day and offered on February 8 and again on March 22.
