**Appraisal Fee Survey** 

Take notice that pursuant to N.J.A.C. 3:1-16.2(a)3, the Department of Banking and

Insurance has conducted a survey of appraisal fees charged by lenders for appraisals by third

party appraisers related to conforming, single family primary residence first mortgage loans

made by licensed lenders doing business in New Jersey. Based upon the results of its most

recent survey, the Department has determined that during 2009 the usual customary and

reasonable fee charged by licensed lenders for such third party appraisals ranged between

\$325.00 and \$400.00.

Accordingly, pursuant to N.J.A.C. 3:1-16.2(a)3, for such appraisals performed and

delivered in-house, the fee charged by the lender shall be in the range of \$325.00 to \$400.00.

For such appraisals performed by third party appraisers and delivered by an appraisal

management company, the fee charged by the lenders shall be in the range of \$350.00 to \$450.00

and shall not exceed the amount charged by the appraisal management company.
