

**A Multi-Jurisdictional Flood Mitigation Plan
for the Non-Tidal N.J. Portion of the Delaware River Basin**

Mercer County Kick-off Meeting

December 6, 2006, 10:00am
Dempster Fire Training Center
Lawrenceville, NJ

- 10:00 am Welcome (County Official)
- 10:10 am Importance and significance of the plan; Why now? (DRBC)
- 10:30 am What the final plan will look like and what the proposed process is to get there. (DRBC)
- 11:00 am Why should your municipality participate?
1. Your municipality will become eligible for funding made available through FEMA's Flood Mitigation Assistance (FMA) Program. It is also a major step towards the completion of an All Hazards Mitigation Plan. (NJOEM)
 2. This is an opportunity for your municipality to identify a prioritized list of mitigation actions. The list is important for community planning and it will be reviewed by state and federal agencies. (NJDEP)
 3. This is a unique opportunity for your municipality to take advantage of state and federal resources in preparing your plan. Mitigation planning is important and necessary for funding. This planning initiative may be an effective means for your municipality to fulfill this mitigation planning requirement. (NRCS)
- 11:30 am Question/Answer session
- 11:55 pm Closing Remarks
