

DATA CONVERSATIONS

Use the [Video Viewing Guide](#) from your resource packet to organize to organize your thoughts for the Silent Discussion Protocol.

- After the video, use [Silent Discussion Protocol](#) to share with your group. Use words, pictures, or phrases to write one thing you noticed on the chart paper. When prompted, turn chart paper, read and write more. Continue until you are back to your initial comment.

How can you apply the 5 why in your analysis of the data?	How can we change the focus of analysis beyond just the numbers?	What are some questions you can ask yourself before looking at the data and during the analysis?	What do you notice about fixed mindset vs. growth mindset when looking at the data?
			

This video clip explains the 5 Whys Protocol and gives an example about finding the root cause behind inferences. Participants will use the chart and follow the Silent Discussion Protocol after the video. **End Video at 4m 30S**

Silent Discussion Protocol (Watch, Respond/Write): Video opens in a new tab at 2m 27s and play until 4m and 30s. Use the Silent Discussion Protocol to respond to the video. Then pause and Respond/Write - continue process 4 times total. Allow 1 minute for the for participants to write the AHA moment. [\(option to add to a comment or create a new comment in response to video\)](#)

Total time: 2 minutes for video, 4 minutes to Respond/Write, 1 minute for AHA moment. **7 minutes total.**
