Top Ten Facts for Scheduling PARCC Assessments

Link for this Document

Link for Scheduling Tool Kit
http://www.parcconline.org/assessment-administration-guidance
Scheduling Test Units

- Utilize ANY day during the 20-day testing Window - Start ASAP
- No more than TWO units per day per Individual Student
- Back-to-back units are permitted with a Supervised Break between units
- Multiple groups of students can be scheduled in a single day: A.M. Group 1 = 2 Units P.M. Group 2 = 2 Units
- Units WITHIN a content area MUST be administered in sequence, (i.e. ELA/L Unit 1 first, followed by Unit 2, followed by Unit 3)
Scheduling Test Units (cont.)

• No special order by content area (Math 1st & ELA/L 2nd; or ELA/L 1st & Math 2nd) or by grade (3,4,5, 6,7,8 or 3,6,4, 7,5,8)

• Students with *Extended Time* (IEP, 504, EL) **MUST** begin testing in the morning & complete a given unit in a *Single School Day*

• Grades may be combined for the *SAME* content area *IF Unit Times & Scripts* (read-aloud directions) are the *SAME* (useful for Make-Ups & Students with Extended Time)

• Absent students can *resume testing with assigned group* & only make up units for days actually missed due to absence
WHO MUST TAKE 2014-15 PARCC

Grades 3-8

✓ General Education

✓ English Learners – except newly arrived EL students who may be excluded from taking English Language Arts/Literacy assessment

✓ Special Education – except severely handicapped students who will take APA or DLM as specified in the IEP(exempt from taking)

✓ Middle School Students Enrolled in a one-year Algebra I or Geometry course – must take the Algebra I or Geometry assessment instead of the Grade 7 or Grade 8 Math assessment
WHO MUST TAKE 2014-15 PARCC (cont.)

Grades 3-8

✓ Middle School Students enrolled in a two-year Algebra 1 or Geometry course, must take their grade level Math assessment in the first year of the course (i.e. Grade 7 or Grade 8 Math) AND take the PARCC end-of-course assessment associated with that course in the second year of that course (i.e. Algebra 1 or Geometry).

✓ Middle School Students Enrolled in Multiple Mathematics Requisite Courses – will take only one PARCC Math assessment that being Algebra 1 or Algebra 2.
WHO MUST TAKE 2014-15 PARCC (cont.)

High School

✓ General Education

✓ English Learners – NO ELA/L exclusion for high school students (Grades 3-8 ONLY)

✓ Special Education – except severely handicapped students who will take APA or DLM as specified in the IEP (exempt from taking)

✓ Special Education Exempt From Passing – required to take, but not pass, Math and ELA/L assessments as specified in the IEP
High School

✓ English Language Arts Grade-Based Assessments – Grade 9, 10, and 11 students take requisite ELA/L grade level assessment regardless of type of ELA/L course they are enrolled in (AP, IB, ESL, etc.)

✓ Grade 9, 10, and 11 students enrolled in multiple ELA/L courses – take only one ELA/L assessment as determined by the district
WHO MUST TAKE 2014-15 PARCC (cont.)

High School

✓ Mathematics **Course-Based** Assessments – students *must be currently enrolled* in Algebra I, Geometry, or Algebra II to take the corresponding assessment

✓ Students Enrolled in Multiple Mathematics Requisite Courses – will take *only* one PARCC Math assessment that being Algebra 1 or Algebra 2

✓ High school students *not* enrolled in a requisite Math course, do *not* take a PARCC Math assessment
WHO MUST TAKE 2014-15 PARCC (cont.)

High School

✓ High school students enrolled in an integrated Math course that includes Algebra or Geometry, AND is a prerequisite for Algebra 1 or Geometry – do not take the Algebra 1 or Geometry assessment while enrolled in the integrated course. Rather, they must wait until they are enrolled in an Algebra 1 or Geometry course to take that requisite Math assessment.

✓ High school students enrolled in an integrated Math course, that includes Algebra or Geometry, AND is an alternative to an Algebra 1 or Geometry course, must take the Algebra 1 or Geometry assessment.
WHO MUST TAKE 2014-15 PARCC (cont.)

High School

✓ High school students enrolled in a two-year Algebra 1, Geometry, or Algebra 2 course - take the assessment for that course in the 2nd year of the course; they do not take it during the 1st first year of the two-year course.

✓ Students who belong to a HSPA cohort do not take any PARCC assessments regardless of course enrollment in the 2014-15 school year.
APA/DLM STUDENTS
EXEMPT FROM TAKING PARCC

All students who are EXEMPT FROM TAKING the general assessment **MUST** take the Alternate Proficiency Assessment (APA) or Dynamic Learning Maps (DLM) assessment in English Language Arts/Literacy & Mathematics as specified in each student’s IEP.

The PARCC Accessibility Features and Accommodations Manual
• The third edition of the *PARCC Accessibility Features and Accommodations Manual* is a comprehensive policy document that will support local educators in the selection, administration, and evaluation of accommodations for the assessment of students with disabilities, English learners, and English learners with disabilities on the computer-delivered PARCC Mid-Year, Performance-Based, and End-of-Year Assessments.

• The manual provides educators with information on the accommodations which, when used on the PARCC assessments, will result in a valid score for a student.

Features for All Students

Accessibility Features* 
Identified in advance

Accommodations **

* Available to all participating students
** For students with disabilities, English learners, and English learners with disabilities
Accessibility Features for ALL Students
Accessibility Features for All Students

• Tool, support, scaffold, or preference that is built into the assessment system that can be activated by *any student*, at his or her own discretion.

• Tools provided onscreen, stored in a toolbar, or accessible through a menu or control panel, as needed.

• Tools for specific items selected by each student during the assessment based on their needs. Examples include: audio amplification, highlighting, pop-up glossary, etc.
Accessibility Features Identified in Advance

- Available to *all students* (i.e., not limited to students with IEPs, 504 plans, or English learners), but will be selected and “turned on” by school-based educators prior to the assessment, based on each student’s Personal Needs Profile (PNP).

- Based on each student’s individual needs, a PNP is created for the student to ensure that he or she receives appropriate access without the distraction of other tools and features that are *not* required by the student.

- Although school-based educators will enable specific accessibility features for students, the student will decide whether or not to use the feature. These accessibility features will be readily available on the computer-delivered testing platform.
• For students with disabilities, IEP or 504 team members are responsible for making decisions about which accommodations the student will need, as well as which features to increase accessibility must be selected for a student’s Personal Needs Profile (PNP).

• Students with disabilities who have the accommodation documented in an approved IEP or 504 plan prior to the date of test administration; and

• Students who use the accommodation routinely (with rare exceptions) during classroom instruction and locally-administered assessments, both before and after the test is administered

### Accommodation

- Online Translation of the Mathematics Assessment in Spanish
- Paper-Based Edition of the Mathematics Assessment in Spanish
- Large Print Edition of the Mathematics Assessments in Spanish
- Text-to-Speech for the Mathematics Assessments in Spanish
- Human Reader for the Mathematics Assessments in Spanish

*PARCC will offer translated read aloud directions ONLY in the following languages: Spanish, Arabic, Navajo, Chinese (Mandarin), Vietnamese, Portuguese, Haitian Creole, Polish, Somali, and Marshallese*
Unique/Emergency Accommodations

• A small number of students may require additional accommodations either because they are not listed in the PARCC manual, or they do not have an IEP or 504 plan but require an accommodation as a result of a recently-occurring accident or illness.

• PARCC states will review requests for unique accommodations in their respective states on an individual basis and will provide approval after determining whether the accommodation would result in a valid score for the student, using guidelines comparable across PARCC states.
Administrative Considerations for All Students

- Detailed guidelines on the administration of the PARCC assessments are included in the *PARCC Test Administration Manual*.

- Principals may determine that *any student* may require one or more of the following test administration considerations, regardless of the student’s status as a student with a disability or who is an English learner:
  - Small group testing
  - Frequent breaks
  - Time of day
  - Separate or alternate location
  - Specified area or seating
  - Adaptive and specialized equipment or furniture
Personal Needs Profile (PNP)
The purpose of the PNP is to gather information regarding a student’s testing condition, materials, or accessibility features and accommodations that are needed to take a PARCC assessment.

Completion of the Personal Needs Profile is very important because some of the Accessibility Features Identified in advance may drive the test form and make those features available to the student.

PNP can be updated manually on PearsonAccessNext.

If a student is taking ELA/L and Math tests, there needs to be a separate record for each test in the file or manually updated for each test.
Prior to the assessment, the following student information should be collected so students receive the appropriate accessibility features and accommodations on testing day:

- Embedded accessibility features in the TestNav 8 online platform that need to be enabled for students during administration (e.g., background/font color, text-to-speech for mathematics, etc.) *(via the PNP File Layout)*;

- Embedded accommodations in the TestNav 8 online platform that need to be enabled for students during administration (e.g., ASL, closed captioning, text-to-speech for ELA/literacy, etc.) *(via the PNP File Layout)*

- Externally-provided accessibility features identified in advance and accommodations for students with disabilities and English learners *(via the PNP File Layout)*; and

- Hard copy accommodated forms that require advance shipping (braille edition, paper-based assessment, large print, etc.) *(via the Student Registration File)*.

*Why Collect Student Information Prior to the Assessment?*
How Do You Fill Out and Submit the PNP File Layout?

- **Step 1**: Local educators/teams collect individual student data to populate the PNP.
- **Step 2**: Local educators/teams capture individual student PNP data in a central location such as the PARCC local educator planning tool.
- **Step 3**: The individual(s) responsible for student data upload at the school/district/state level receive the information from step 2 and upload the information into the PNP File Layout and the Student Registration File.
• The PNP File Import must take place prior to Proctor Caching
• The PNP can be uploaded as a batch file using the template provided by Pearson
• After upload, the PNP can be updated until the day of testing
• Repeat proctor caching after PNP has been updated to ensure the accommodated tests are downloaded to the local caching computer
Homebound, Bedside & Out of District Placements (ODP)
HOMEBOUND, BEDSIDE &
Non-Testing ODP Placements

✓ Students receiving homebound or bedside instruction **MUST** be tested unless they are too ill to participate.

✓ Students will use *Paper & Pencil* test forms identified on *PNP* & ordered via the *Student Registration Upload*.

✓ All procedures regarding Paper & Pencil testing must be adhered.

✓ Students attending an Out-of-District Placement that is **NOT** an approved testing site **MUST** either:

1. Return to the home district to be tested; or,

2. The home district must send a test administrator to the ODP site to test the student at the ODP placement.
✓ Test Administrator **MUST** be:

- *Licensed* professional employed by the district.
- *Trained* by school or district test coordinator.
- *Sign* appropriate *Chain of Custody Forms & Test Security Agreement*.
- *Maintain* test security at **ALL** times.
- *Return* secure test materials to school coordinator **ASAP** after testing is completed.
STUDENTS WITH ACCOMMODATIONS

TEMPORARY / EMERGENCY
SECTION 504 PLAN

✓ Sprained or broken arm (etc.) prior to test: prepare a temporary / emergency Section 504 Plan

✓ Complete Emergency Accommodation Request Form (see Section 7.4 and Appendix H in Test Coordinator Manual) and retain completed form in district

✓ Student allowed to receive modifications & accommodations described in PARCC Accessibility Features & Accommodations Manual

✓ Accessibility features & accommodations (extended time, scribe, special form, etc.) must be included in PNP

✓ PNP must be created/updated & loaded/reloaded
Students Attending Out-of-District Placements (ODP)

Responsibilities of Sending/Home District

• Ensure that ALL students are tested regardless of student’s instructional placement.

• Include all ODP students in Student Registration Upload regardless of their instructional placement.

• Ensure IEPs and 504 Plans are shared with student’s ODP/Receiving District.
Students Attending Out-of-District Placements (ODP)

Responsibilities of ODP/Receiving Districts

- Upload PNP File to PearsonAccess
- Create Test Sessions
- Provide accommodations and accessibility features identified in each student’s PNP.
English Learners

✓ Spanish Versions of Math Assessments – available for Grades 3-8 and Algebra 1, Geometry, and Algebra 2 only

✓ English Language Arts Assessments – available in English only

✓ Newly Arrived English Learners (Spanish & non-Spanish speakers) – only EL students in Grades 3-8, who entered the United States after July 1 of the current school year, may be excluded from taking the ELA Grade 3-8 PARCC assessments in the current school year

✓ EL High School Students – must take the PARCC ELA assessments with EL accommodations

INSTRUCTIONS:
The following list contains the security numbers of all secure materials (test booklets, answer documents, and special editions of test materials) that are included in this shipment to your school. Use this checklist to track the secure materials while in your school.

Do not return this form with your test materials. Check your state policy for specific requirements for how long to maintain this document. You will need to refer to it if an investigation of missing materials takes place. The school will be held responsible for any secure materials that were received at the school but not returned.

Use of this form is required for schools in Mississippi. Schools in the remaining states may use either this form or an equivalent developed by the school.

The columns marked Out Unit 3 and In Unit 3 are only applicable to ELA/Literacy PBA. Schools should keep these two columns blank for Mathematics PBA and EOC and ELA/Literacy EOC.

BEFORE TESTING
Each Test Administrator must sign this form and indicate the date and time when booklets are issued. If a consecutive range of books is taken, then sign and mark the date/time next to the security number for the first booklet and the last booklet, and then draw an arrow between the two signatures and date/time.

AFTER TESTING
The school test coordinator must sign this form and indicate the date and time when booklets are returned (immediately upon test completion). If a consecutive range of books is taken, then sign and mark the date/time next to the security number for the first booklet and the last booklet, and then draw an arrow between the two signatures and date/time.
