Anyone with personal experience with epilepsy or an interest in better serving those affected by epilepsy is encouraged to give input and present testimony at the public hearing. More information concerning the Task Force can be found at http://www.nj.gov/governor/admin/search.html and at http://www.state.nj.us/health/fhs/epilepsy/index.shtml

There are three ways in which you may participate:

1. Submitting written testimony:
   Interested persons or organizations may submit written testimony by September 19, 2014 for the Task Force to review. Written testimony should include your name and contact information and be sent to:

   Dr. Marilyn Gorney-Daley
   New Jersey Department of Health
   Director, Special Child Health and Early Intervention Services
   PO Box 364, Trenton, NJ 08625-0364

   If you would like to attend or present your testimony in person, please call Ms. Diane DiGiovacchino no later than 5 business days before each scheduled hearing at 609-984-0755 to register. Oral testimony should not exceed 5 minutes in length. Those giving oral testimony are required to submit a written copy of their testimony at the Public Hearing. Hearing impaired persons requiring translation services should advise Ms. DiGiovacchino of their needs when they call.

3. Filling out an online survey via the web:
   If you wish to complete an online survey via the internet, please visit the website of Clayton’s Hope Organization (www.claytonshope.org), and follow the links to have your survey submitted.

All public input is welcome to help develop recommendations to enhance all aspects of the quality of life for those with/affected by Epilepsy. Questions?
