AN ACT concerning consumer information for college students and their families and supplementing chapter 3B of Title 18A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known and may be cited as the "New Jersey College Student and Parent Consumer Information Act."

2. a. A four-year public institution of higher education shall provide for public inspection on its website comprehensive information on the cost of attendance, the graduation rates of admitted students, and the faculty of the institution. The purpose of the information shall be to maximize the awareness of students and their families of the costs associated with enrollment in the institution, the institution’s success in ensuring the graduation of its students, and the composition of the teaching faculty that a student will encounter in his coursework. The institution shall post, and annually update, a student consumer information report on its website that includes:

   (1) overall four-year and six-year graduation rates;
   (2) four-year and six-year graduation rates by demographic group;
   (3) four-year and six-year graduation rates by major;
   (4) four-year and six-year graduation rates for student-athletes;
   (5) the student transfer rate;
   (6) an overview of the institutions to which former students of that college or university have transferred prior to the completion of a degree;
   (7) the cost for the current academic year of attending the institution including tuition, student fees, room and board, and books and materials;
   (8) a description of the types of financial assistance offered directly by the institution to both student-athletes and to students who do not participate in athletic programs at the institution;
   (9) the percent of student-athletes who receive financial assistance directly from the institution and the average value of the assistance and the percent of students who do not participate in athletic programs at the institution who receive financial assistance directly from the institution and the average value of the assistance;
(10) the total projected cost for an incoming freshman to live on
campus and complete a degree in four years and the total projected
cost for an incoming freshman to commute to school and complete a
degree in four years;
(11) the total projected cost for an incoming freshman to live on
campus and complete a degree in six years and the total projected cost
for an incoming freshman to commute to school and complete a degree
in six years;
(12) average student loan indebtedness of four-year graduates for
both students who live on campus and students who commute;
(13) average student loan indebtedness of six-year graduates for
both students who live on campus and students who commute;
(14) average student loan indebtedness of a student who withdraws
from the institution prior to the completion of a degree program for
both students who live on campus and students who commute;
(15) an overview of the institution’s faculty, including the
percentage of faculty employed as a tenured professor, the percentage
of faculty employed as a full-time non-tenured professor, and the
percentage of faculty employed as an adjunct or visiting professor;
(16) the percentage of courses taught by each of the different
categories of faculty; and
(17) an indicator of each academic department’s capacity to serve
the students majoring within that department’s programs, as
determined by the Commission on Higher Education.

The institution shall provide with all paper applications for
admission to the institution a hard copy of the information prepared
pursuant to this section.

b. A four-year public institution of higher education shall
conform to the guidelines, criteria, and format prescribed by the
Commission on Higher Education in reporting the information
required pursuant to this section

c. A four-year public institution of higher education shall submit
its student consumer information report to the Commission on
Higher Education for inclusion in a comparative profile of the
student consumer information reports of all four-year public
institutions of higher education.

d. A four-year public institution of higher education shall ensure
that the page of its Internet site which includes its student consumer
information report contains a link to the page of the Commission on
Higher Education’s Internet site that includes the comparative
profile required pursuant to subsection b. of section 3 of this act.

e. A four-year public institution of higher education shall ensure
that the Internet site for submitting an online application to the
institution contains a link to the institution’s student consumer
information report.

f. A four-year public institution of higher education shall require
the parent or guardian of a student applying for admission into the
institution, or the student if he is an independent adult, to sign and
submit a statement acknowledging that he has reviewed the institution’s student consumer information report.

3. a. The Commission on Higher Education shall issue guidelines and criteria for collecting and calculating the information required pursuant to section 2 of this act and shall prescribe a uniform reporting method for posting the information.

b. The Commission on Higher Education shall annually compile the student consumer information reports submitted pursuant to subsection c. of section 2 of this act into a comparative profile of all four-year public institutions of higher education. The commission shall present the information on its website in a manner that allows college students and their families to easily compare student consumer information across institutions.

4. This act shall take effect on the 61st day after the date of enactment.

STATEMENT

This bill, which if enacted will be known as the “New Jersey College Student and Parent Consumer Information Act,” will maximize the awareness of students and their families of the costs associated with enrollment in the institution, the institution’s success in ensuring the graduation of its students, and the composition of the teaching faculty that a student will encounter in his coursework. Under the bill, each four-year public institution of higher education in the State is required to provide on its website comprehensive information on the cost of attendance, the graduation rates of admitted students, and the faculty of the institution. Such information must be updated annually. The institution must also provide with all paper applications for admission to the institution a hard copy of the information prepared under the bill for the website.

The bill requires each four-year public institution of higher education to:

(1) conform to the guidelines, criteria, and format prescribed by the Commission on Higher Education in reporting the required information;

(2) submit its student consumer information report to the Commission on Higher Education for inclusion in a comparative profile of the student consumer information reports of all four-year public institutions of higher education;

(3) ensure that the page of its Internet site which includes its student consumer information report contains a link to the comparative profile of student consumer information reports on the Commission on Higher Education’s Internet site;
(4) ensure that the Internet site for submitting an online application to the institution contains a link to the institution’s student consumer information report; and

(5) require the parent or guardian of a student applying for admission into the institution, or the student if he is an independent adult, to sign and submit a statement acknowledging that he has reviewed the institution’s student consumer information report.

The bill directs the Commission on Higher Education to issue guidelines and criteria for collecting and calculating the information required to be reported under the bill. The commission is further directed to prescribe a uniform reporting method for the posting of the information. The bill also directs the commission to compile a comparative profile of the student consumer information reports of the four-year public institutions of higher education and to present the profile on its website in a manner that allows college students and their families to easily compare student consumer information across institutions.

“New Jersey College Student and Parent Consumer Information Act”; requires each four-year public institution of higher education to provide on its website certain information regarding its costs, faculty, and graduation rates.
