Dear Dr. Levy,

On behalf of the Student Affairs Partnering with Academic Affairs (SAPAA) Knowledge Community (KC), we thank you for nominating your institution's *Career Development Project* for the Promising Practices Award. We were fortunate to receive a number of quality submissions representing diverse programs and services that contribute to collaboration and integration of student and academic affairs in a college or university setting. This year, it is our pleasure to inform you that the *Career Development Project* has been selected to receive the **2016 Promising Practices Award**.

Our committee was thoroughly impressed with the quality and potential of this program and would like to publicly recognize the institution and program formally at our SAPAA KC business meeting held during the NASPA 2016 Annual Conference in Indianapolis, Indiana. This meeting is scheduled for Monday, March 14 at 4:00 PM in the JW Marriott Indianapolis Room 314. We hope you, or a representative from your institution, will be available to be recognized at this meeting. Please inform us of your plans to attend this meeting at your earliest convenience.

As an award winner and model of expertise in this area, we also extend an invitation for you to join the Promising Practices Award selection committee in the upcoming year. We look forward to sharing more about this opportunity and celebrating this recognition with you at the NASPA 2016 Annual Conference. We can all benefit from learning about successful collaborative endeavors from our colleagues, and we appreciate you sharing your institutional initiative to further promote best practice. Thank you for your thoughtful nomination.

Sincerely,
