NJ SNAP - Formerly the Food Stamp Program, now known as NJ SNAP (NJ Supplemental Nutrition Assistance Program) authorized by Congress as a nutritional supplement program to provide low income households with more food of greater variety and better nutrition. Program eligibility is based on household income, resources, and expenses for medical, shelter, and dependent care. CWA staff refers certain recipients to the New Jersey Department of Labor for participation in the Food Stamp Employment and Training Program.

FAMIS: Family Assistance Management Information System

GAAS: General Assistance Automated System

NJKiDS: New Jersey Kids Deserve Support (Child Support Information Management System)

NJ MMIS SHARED DATA WAREHOUSE: The Shared Data Warehouse (SDW) is the repository for New Jersey's DFD and Medicaid data. Since 2003, OptumInsight has administered the SDW and provided access to the data through a reporting tool known as Business Objects.

OMEGA: Online Management of Economic Goal Achievement

SSI-EA: Supplemental Security Income-Emergency Assistance

WFNJ: Work First New Jersey - Fully implemented July 1, 1997, this is New Jersey's welfare reform program which responds to the requirements of the Federal Personal Responsibility and Work Opportunity Reconciliation Act (PRWORA) of 1996. PRWORA established Temporary Assistance for Needy Families (TANF) as the replacement for AFDC cash assistance. WFNJ includes two segments, WFNJ/TANF for families with children, and WFNJ/GA (General Assistance) for single adults and couples without dependent children. WFNJ emphasizes achieving self-sufficiency and limits lifetime receipt of financial assistance to a total of five years.
EXPLANATORY NOTES
The Department of Human Services Division of Family Development provides basic income and an opportunity to achieve self-sufficiency for individuals and families served by the Division's programs. The Division provides leadership, direction and supervision to those public agencies responsible for administering those programs and plans for and develops policies to promote self-sufficiency.
