

This appeal stems from Horizon NJ Health's denial of Petitioner's request for dental services. However, by Settlement Agreement filed with the Office of Administrative Law, the parties agreed to amicably resolve this controversy whereby Horizon agreed to provide some of the disputed dental services, specifically D2950 and D2750, and reevaluate dental services once it received a narrative from the dentist. Petitioner agreed to the denial of services under code D4212.

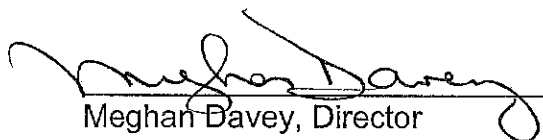

The ALJ approved the Settlement Agreement because it was consistent with the law, fully disposed of all issues in controversy and was voluntarily entered into by both parties, in accordance with N.J.A.C. 1:1-19.1.

I agree with the ALJ's conclusions regarding the Settlement Agreement and ADOPT the Initial Decision as based upon substantial credible evidence and consistent with applicable law.

THEREFORE, it is on this *2nd* day of SEPTEMBER 2016,

ORDERED:

That the Initial Decision approving the Settlement Agreement in this matter is hereby ADOPTED.
