

This matter arises from the termination of Medicaid eligibility for failure to provide requested verification. However, at the scheduled OAL hearing, the parties entered into a Settlement Agreement whereby Petitioner agreed to withdraw her hearing request and reapply for benefits with the needed documentation.

The ALJ approved the Settlement Agreement because it was consistent with the law, fully disposed of all issues in controversy and was voluntarily entered into by both parties, in accordance with N.J.A.C. 1:1-19.1.

Based upon my review of the record, I agree with the ALJ's conclusions and ADOPT the Settlement Agreement as based upon substantial credible evidence and consistent with applicable law.

THEREFORE, it is on this *26th* day of August 2016,

ORDERED:

That the Initial Decision approving the Settlement Agreement in this matter is hereby ADOPTED.
