ADMINISTRATIVE ACTION

FINAL AGENCY DECISION

OAL DKT. NO. HMA 12419-16

As Director of the Division of Medical Assistance and Health Services, I have reviewed the record in this matter, consisting of the case file, the documents in evidence and the Initial Decision. No Exceptions to the Initial Decision were filed. Procedurally, the time period for the Agency Head to file a Final Agency Decision is November 21, 2016, in accordance with N.J.S.A. 52:14B-10, which requires an Agency Head to adopt, reject or modify the Initial Decision within 45 days of the agency's receipt. The Initial Decision was received on October 7, 2016.

I hereby ADOPT the Initial Decision affirming the termination of NJ FamilyCare benefits. The undisputed evidence in the record indicates that Petitioner's monthly income exceeds the maximum income limit under this program. There is simply no authority that permits the relaxation or waiver of the income limits in any individual case.

However, if Petitioner needs assistance with his prescription costs, I suggest he apply for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program. Petitioner may also be eligible for assistance with prescription costs through the Rx4NJ program. For more information about this program, I suggest he call 1-888-793-6765 or access their website at www.Rx4NJ.org.

THEREFORE, it is on this 14th day of November 2016,

ORDERED:

That the Initial Decision affirming the termination of Medicaid eligibility based upon excess income is hereby ADOPTED as the Final Decision in this matter.

Division of Medical Assistance
