As Director of the Division of Medical Assistance and Health Services, I have reviewed the record in this case, including the Initial Decision and the documents in evidence. Neither party filed exceptions. Procedurally, the time period for the Agency Head to file a Final Agency Decision in this matter is June

27, 2016 in accordance with N.J.S.A. 52:14B-10 which requires an Agency Head to adopt, reject or modify the Initial Decision within 45 days of receipt. The Initial Decision in this matter was received on May 13, 2016.

This matter concerns the January 6, 2016 denial of Petitioner's application due to the failure to provide financial verifications. The only issue presented here is whether Petitioner provided the necessary verification for Camden County to make an eligibility determination. The credible evidence in the record demonstrates that Petitioner failed to provide the needed information prior to the January 6, 2016 denial of benefits. Without this information, the County was unable to complete its eligibility determination and the denial was appropriate.

Based on my review of the record, I concur with the ALJ's findings and hereby ADOPT the Initial Decision.

THEREFORE, it is on this 21st day of JUNE 2016

ORDERED:

That the Initial Decision is hereby ADOPTED.

Meghan Davey, Director
Division of Medical Assistance
and Health Services
