Approved Provider Information As a university-based center, all professional development opportunities meet necessary continuing education guidelines for the state of New Jersey in addictions, social work, and education. Continuing Education Units are awarded for participation in all professional development programs. The Rutgers Center of Alcohol Studies has been approved by the New Jersey Department of Health and Senior Services, as a provider of New Jersey Public Health Continuing Education Contact Hours. Recertification for CADC and LCADC is approved by The Certification Board, Inc. The Seminar Series is also approved for continuing education units by the National Association of Alcoholism and Drug Abuse Counselors (NAADAC). Rutgers Center of Alcohol Studies has been approved by NBCC as an Approved Continuing Education Provider, ACEP No. 6619. Programs that do not qualify for NBCC credit are clearly identified. Rutgers Center of Alcohol Studies is solely responsible for all aspects of this program.
