DEPARTMENT OF HUMAN SERVICES

FINAL DECISION

OAL DKT. NO. HPW 9914-14 C.C.

AGENCY DKT. NO. GA297525 (CAMDEN COUNTY BOARD OF SOC. SVCS.)

Petitioner appeals from the Respondent Agency's denial of his request for an extension of Emergency Assistance ("EA"). Because Petitioner appealed, this matter was transmitted to the Office of Administrative Law for a hearing. On September 4, 2014, the Honorable Sarah G. Crowley, Administrative Law Judge ("ALJ"), held a hearing and took testimony. On September 22, 2014, the ALJ issued an Initial Decision affirming the Agency determination and dismissing the matter.

Neither party filed exceptions to the Initial Decision.

As Director of the Division of Family Development, Department of Human Services, I have considered the record for this matter and the ALJ's Initial Decision, and having made an independent evaluation of the record, I ADOPT the Initial Decision and AFFIRM the Agency determination.

The purpose of EA is to meet the emergent needs of public assistance recipients, such as imminent homelessness, so that the recipient can participate in work activities without disruption and continue on a path to self-sufficiency. N.J.A.C. 10:90-6.1(a). Only Work First New Jersey ("WFNJ") recipients and Supplemental Security Income ("SSI") recipients are eligible for emergency assistance. N.J.A.C. 10:90-6.2.

EA benefits are limited to twelve months, plus limited extensions for "extreme hardship" where the recipient has taken "all reasonable steps to resolve the emergent situation but the emergency nonetheless continues or a new emergency occurs, which causes extreme hardship to the individual." N.J.A.C. 10:90-6.4; N.J.S.A. 44:10-51. Specifically, a WFNJ/General Assistance ("GA") recipient such as the Petitioner may qualify for an additional six months of EA when an "extreme hardship" exists.

In the event a WFNJ/GA recipient does not qualify for an "extreme hardship" extension or has exhausted the "extreme hardship" extension, he/she may qualify for an extension under the Housing Assistance Program ("HAP"), N.J.A.C. 10:90-6.10. To qualify for an extension under the HAP, a WFNJ/GA recipient must have a Med-1 form substantiating 12 months of disability and have applied for Supplemental Security Income ("SSI") or have appealed the denial of a SSI application. N.J.A.C. 10:90-6.10.

The record for this matter demonstrates that the Petitioner applied for SSI but was denied and although he has a completed MED-1 form, he has not been determined disabled for a period of 12 months. As such, the ALJ concluded, and I agree, that the Petitioner failed to demonstrate that he qualifies for an extension of EA at this time.

Accordingly, the Initial Decision is hereby ADOPTED and the Agency determination is hereby AFFIRMED.
