The Domestic Abuse and Sexual Assault Crisis Center of Warren County is looking for compassionate volunteers for a wide array of opportunities.

Volunteers are needed for our crisis response teams, 24-hour helpline, court advocacy, child care, general office duties, sewing room, and gardening/landscaping.

Training is provided for all volunteer opportunities.

The mission of DASACC is to help, serve, and advocate for those impacted by interpersonal violence, to be proactive regarding its prevention, and to create positive change.
