The Federal Motor Carrier Safety Administration (FMCSA) regulations C.F.R. 383.73(o) requires that New Jersey commercial driver license (CDL) holders must submit a valid (non-expired) Medical Examiner Certificate every two years including CDL drivers who maintain a passenger endorsement.

To avoid processing delays of your passenger endorsement application or suspension of your passenger endorsement, all data fields on the Medical Examiner Certificate must be fully completed.

Incomplete, expired or illegible medical examiner certificates will be rejected and may result in administrative action against your commercial driving privileges. Medical examinations performed on or after May 21, 2014 are to be completed by a federally certified medical examiner. To locate your nearest certified examiner, please go to nrcme.fmcsa.gov.
