Announcement All Initial Business License Applicants

The New Jersey Motor Vehicle Commission, Business Licensing Services Bureau (BLS) is pleased to announce that beginning December 1, 2016; BLS will discontinue the practice of requiring an up-front license and registration payment (excluding application fees) with the submission of an initial business license application for the following license privileges:

- New and Used Car Dealers
- Special Category Registration and Plates (*Boat Dealer, Converter, Financing, Insurer, Leasing, Manufacturer, Non-Conventional and Transporter*)
- Auto Body Shops
- Driving Schools
- Inspection and Emission Repair Facilities

This change will bring greater efficiency, recording and accounting for all initial application funds and reduce the risk of lost payments.

A notification requesting payment of the license and registration fees along with proof of insurance and bond requirements will be sent after preliminary approval of all licensing requirements and a site inspection, where applicable. The wall license and license plates, if applicable, will be mailed to the licensed location once your payment is processed.

Your compliance with this policy is greatly appreciated. For further information on the initial licensing process, call 609 292-6500 x5014.

Note: Applicants for Auto Body and Private Inspection Facilities licenses must submit a \$20.00 application fee with their initial license application.
