Remedial Driver Education
Driver Improvement Program & Probationary Driver Program
Optional Pre-Approved Curricula and Training

Any New Jersey licensed driving school or any Statewide safety organizations that has been licensed by the New Jersey Motor Vehicle Commission to teach a Driver Improvement Program (DIP) and/or a Probationary Driver Program (PDP) may provide instruction from a pre-approved curriculum.

Instructors must be trained and certified in the curriculum used by the licensed DIP/PDP schools before they can apply for an instructor license.

Below is the contact information for the pre-approved curricula sponsor participating in the Remedial Driver Education program, and will be responsible for training instructors in their curriculum, should a provider choose a pre-approved curriculum.
