MVC Extends Deadline to Utilize Old Style Non-Resident Temp Tag

To All New and Used Vehicle Dealers:

The retirement date for the old style *non-resident* temporary registration forms (commonly known as *non-resident* Temp Tags or *non-resident* Temps) has been extended to June 30, **2009**. This is a change from the previously posted date of September 30, **2008**.

To conform to this new date, dealers should not issue the old style *non-resident* Temp Tags after June 10, **2009**. This will allow vehicle purchasers to utilize the old style Temps for the full 20 days prior to the retirement date.

The New Jersey Motor Vehicle Commission (MVC) asks that dealers please use up all old style Temps before ordering new ones, as the MVC will not issue refunds nor allow exchanges for the unused documents.

Please note that the deadline for using old style *resident* (YELLOW) Temps remains September 30, **2008**. Old style (YELLOW) resident Temps are no longer valid on vehicles as of October 1, **2008**.
