## **MVC Extends Deadline to Utilize Old Style Temp Tag**

To All New and Used Vehicle Dealers:

The retirement date for both the old style resident and old style non-resident temporary registration forms (commonly known as Temp Tags or Temps) has been extended to September 30, 2008. This is a change from the previously published dates of April 30, 2008 for resident Temp Tags and July 31, 2008 for non-resident Temp Tags.

To conform to this new date, dealers should not issue the old style resident Temp Tags after August 31, 2008. This will allow vehicle purchasers to utilize the old style Temps for the full 30 days prior to the retirement date. *(The authorization to utilize a resident temp tag for 30 days is included in the January 13, 2008 amendment to N.J.S.A. 39:3-4c. This amendment does not go into effect before July 12, 2008.)*

Dealers should not issue the old style non-resident Temp Tags after September 10, 2008. This will allow vehicle purchasers to utilize the old Temps for the full 20 days prior to the mandatory retirement date.

The New Jersey Motor Vehicle Commission (MVC) asks that dealers please use up all old style Temps before ordering new ones, as the MVC will not issue refunds nor allow exchanges for the unused documents.

The new style resident Temps (form BA-204) are now available while the new style non-resident Temps (form BA-18) are expected to become available in the coming months.
