

Estimates are provided based upon the restoration plan but may change as work is completed and new assignments are given. Also, please note that estimates are considered less precise with dates later into the the week.

Estimates for Monmouth and Ocean Counties do not include devastated shore communities.

The daily estimate of percentage restored is based on the number of customers expected to be restored each calendar day versus the total number of customers currently out of power.

Restoration Estimates for NJ Counties - JCP&L															
COUNTY	Currently Out	Customers Served	% of Customers Out of Service	Estimated Customers Restored On Nov 5	Estimated Customers Restored On Nov 6	Estimated Customers Restored On Nov 7	Estimated Customers Restored On Nov 8	Estimated Customers Restored On Nov 9	Estimated Customers Restored On Nov 10	Pct Restored On Nov 5	Pct Restored On Nov 6	Pct Restored On Nov 7	Pct Restored On Nov 8	Pct Restored On Nov 9	Pct Restored On Nov 10
